Index to Volume 21

SUBJECT INDEX

25(OH)D
Low Prevalence of Vitamin D Deficiency in Elderly Afro-Caribbean Men [Miljkovic] 1:79

Acculturation
Acculturation, Coronary Artery Disease and Carotid Intima Media Thickness in South Asian Immigrants - Unique Population with Increased Risk [Dodani] 3:314

Acculturation
Food Insecurity is Related to Increased Risk of Type 2 Diabetes among Latinas [Fitzgerald] 3:328

Acute Myocardial Infarction
Acute Myocardial Infarction Quality of Care: The Strong Heart Study [Best] 3:294

Adiponectin
Dietary Factors Associated with Adiponectin in Filipino-American Women [Medina-Torne] 2:190

Adolescent
Impact of an Urban Community Hypertension Screening Program on Participating High School Students [Ovbiagele] 1:68

Adolescents
Elevated Body Mass Index and Obesity among Racially and Ethnically Diverse Adolescents [Saab] 2:176

Adrenergic System
Plasma Catecholamines in Nigerians with Primary Hypertension [Adebiyi] 2:158

Adventists
Determinants of Inflammatory Markers in a Bi-ethnic Population [Paalani] 2:142

African American

African American Parents’ Attitudes toward HPV Vaccination [Thompson] 3:335

Attitudes and Beliefs Associated with Leisure-Time Physical Activity among African Americans [Affuso] 1:63

Attitudes and Beliefs Associated with Leisure-Time Physical Activity among African American Adults [Affuso] 1:63

Barriers
Barriers to Self-management of Diabetes: A Qualitative Study among Low-income Minority Diabetics [Owudidiwe] 1:27

Barriers to Self-management of Diabetes: A Qualitative Study among Low-income Minority Diabetics [Owudidiwe] 1:27

Betacell Function

Black Africans

Black Males
Factors Related to Physical Activity and Recommended Intervention Strategies as Told by Midlife and Older African American Men [Hooker] 3:261

Blacks

Plasma Catecholamines in Nigerians with Primary Hypertension [Adebiyi] 2:158

Arab American
Family Support is Associated with Success in Achieving Weight Loss in a Group Lifestyle Intervention for Diabetes Prevention in Arab Americans [Pinelli] 4:480

Arthritis

Asian
Relationship of Body Size and Mortality among US Asians and Pacific Islanders on Dialysis [Hall] 1:40

Asian Indian
The Impact of Thalassemia on Southeast Asian and Asian Indian Families in the United States: A Qualitative Study [Liem] 3:561

Attitudes
Attitudes and Beliefs Associated with Leisure-Time Physical Activity among African American Adults [Affuso] 1:63

Barriers
Barriers to Self-management of Diabetes: A Qualitative Study among Low-income Minority Diabetics [Owudidiwe] 1:27

Factors Related to Physical Activity and Recommended Intervention Strategies as Told by Midlife and Older African American Men [Hooker] 3:261

HPV Vaccine Readiness among American Indian College Students [Hodge] 4:415

Behavioral Randomized Controlled Trial
Recruitment of Mexican American Adults for an Intensive Diabetes Intervention Trial [Martin] 1:7

Beliefs
Attitudes and Beliefs Associated with Leisure-Time Physical Activity among African American Adults [Affuso] 1:63

Betacell Function

Black Africans

Black Males
Factors Related to Physical Activity and Recommended Intervention Strategies as Told by Midlife and Older African American Men [Hooker] 3:261

Blacks

Plasma Catecholamines in Nigerians with Primary Hypertension [Adebiyi] 2:158

Detroit Dieting in African American Women: Weight Cycling and Health [Osborn] 3:274

Africans

African American Adolescents
African American Adolescents and New Media:Associations with HIV/STI Risk Behavior and Psychosocial Variables [Whiteley] 2:216

African American Women
Yo-Yo Dieting in African American Women:Weight Cycling and Health [Osborn] 3:274

Africans

Afro-Caribbean
Low Prevalence of Vitamin D Deficiency in Elderly Afro-Caribbean Men [Miljkovic] 1:79

Age
The Association between Income, Education, and Experiences of Discrimination in Older African American and European American Patients [Halanych] 2:223

Aging
Evidence of Reduced Health-Related Quality of Life in Older Mexican Americans with Arthritis [Bindawas] 2:230

American Indian
Cancer Screening among Native Americans in California [Simonov] 2:202

Culture and Colorectal Cancer Screening on Three American Indian Reservations [Perdue] 3:342

Health Status and Sociodemographic Characteristics of the Morbidly Obese American Indians [Hodge] 1:52

HPV Vaccine Readiness among American Indian College Students [Hodge] 4:415

Anaplastic
Outcomes of Thyroid Cancer in African Americans [Hollenbeck] 2:210

25(OH)D
Low Prevalence of Vitamin D Deficiency in Elderly Afro-Caribbean Men [Miljkovic] 1:79

Acculturation
Acculturation, Coronary Artery Disease and Carotid Intima Media Thickness in South Asian Immigrants - Unique Population with Increased Risk [Dodani] 3:314

Acculturation
Food Insecurity is Related to Increased Risk of Type 2 Diabetes among Latinas [Fitzgerald] 3:328

Acute Myocardial Infarction
Acute Myocardial Infarction Quality of Care: The Strong Heart Study [Best] 3:294

Adiponectin
Dietary Factors Associated with Adiponectin in Filipino-American Women [Medina-Torne] 2:190

Adolescent
Impact of an Urban Community Hypertension Screening Program on Participating High School Students [Ovbiagele] 1:68

Adolescents
Elevated Body Mass Index and Obesity among Racially and Ethnically Diverse Adolescents [Saab] 2:176

Adrenergic System
Plasma Catecholamines in Nigerians with Primary Hypertension [Adebiyi] 2:158

Adventists
Determinants of Inflammatory Markers in a Bi-ethnic Population [Paalani] 2:142

African American

African American Parents’ Attitudes toward HPV Vaccination [Thompson] 3:335

Attitudes and Beliefs Associated with Leisure-Time Physical Activity among African Americans [Affuso] 1:63

Attitudes and Beliefs Associated with Leisure-Time Physical Activity among African American Adults [Affuso] 1:63

Barriers
Barriers to Self-management of Diabetes: A Qualitative Study among Low-income Minority Diabetics [Owudidiwe] 1:27

Factors Related to Physical Activity and Recommended Intervention Strategies as Told by Midlife and Older African American Men [Hooker] 3:261

HPV Vaccine Readiness among American Indian College Students [Hodge] 4:415

Behavioral Randomized Controlled Trial
Recruitment of Mexican American Adults for an Intensive Diabetes Intervention Trial [Martin] 1:7

Beliefs
Attitudes and Beliefs Associated with Leisure-Time Physical Activity among African American Adults [Affuso] 1:63

Betacell Function

Black Africans

Black Males
Factors Related to Physical Activity and Recommended Intervention Strategies as Told by Midlife and Older African American Men [Hooker] 3:261

Blacks

Plasma Catecholamines in Nigerians with Primary Hypertension [Adebiyi] 2:158

Cryotherapy

Coronary Artery Disease

Community-based Participatory Research

Community-academic Partnership

The Partnered Research Center for Quality Care: Developing Infrastructure to Support Community-partnered Participatory Research in Mental Health [Lizota] 3:S1–58

Community-based Participatory Research

Building Community Resilience through Mental Health Infrastructure and Training in Post-Katrina New Orleans [Springgate] 3:S1–20

Community Perspectives on Post-Katrina Mental Health Recovery in New Orleans [Meyers] 3:S1–52

Community-Based Participatory Development of a Community Health Worker Mental Health Outreach Role to Extend Collaborative Care in Post-Katrina New Orleans [Wennerstrom] 1:S1–45

Partnered Participatory Research to Build Community Capacity and Address Mental Health Disparities and Disaster [Springgate] 3:S1–1

Reruitment of Mexican American Adults for an Intensive Diabetes Intervention Trial [Martin] 1:7

Community-Based Partnered Research

Community-Based Partnered Research: New Directions in Mental Health Services Research [Alegria] 3:S1–8

Community-partnered Participatory Research Partnered Participatory Research to Build Community Capacity and Address Mental Health Disparities and Disaster [Springgate] 3:S1–1

Coping

African American Women’s Exposure to Intercultural Racial Discrimination in Public Settings and Preterm Birth: the Effect of Coping Behaviors [Rankin] 3:370

Coronary Artery Disease

Acculturation, Coronary Artery Disease and Carotid Intima Media Thickness in South Asian Immigrants - Unique Population with Increased Risk [Dodani] 3:314

Cryotherapy

Racial Differences in Pain Reports between Black and White Participants with Chronic Venous Disorders Treated with Cryotherapy Compared to Usual Care [Matutina] 4:451

Cultural Attitudes and Beliefs

African American Parents’ Attitudes toward HPV Vaccination [Thompson] 3:355

Cultural Competency

Cultural Factors

Culturally Sensitive Health Care

Culture and Colorectal Cancer Screening on Three American Indian Reservations [Perdue] 3:342

Delayed Diagnosis

Sickle Cell Anemia: Delayed Diagnosis in Bahia, Brazil - A Largely Afro-Descendant Population [Zanete] 2:243

Delays in Care

Increased Patient Delays in Care after the Closure of Martin Luther King Hospital: Implications for Monitoring Health System Changes [Walker] 3:356

Depression

Food Insecurity is Related to Increased Risk of Type 2 Diabetes among Latinos [Fitzgerald] 3:328

The Relative Impact of Diabetes Distress vs Depression on Glycemic Control in Hispanic Patients following a Diabetes Self-management Education Intervention [LEYVA] 3:322

Depression Care

Building Capacity for Cognitive Behavioral Therapy Delivery for Depression in Disaster-Impacted Contexts [Ngo] 3:S1–38

Depressive Symptoms

The Relative Impact of Diabetes Distress vs Depression on Glycemic Control in Hispanic Patients following a Diabetes Self-management Education Intervention [LEYVA] 3:322

Developmental Screening

Diabetes

Barriers to Self-management of Diabetes: A Qualitative Study among Low-income Minority Diabetics [ONWUDIE] 1:27

Diabetes Care and Language Discrepancy among Chinese and Latino Primary Care Patients [Gany] 4:473

Diabetes Knowledge in Predominantly Latino Patients and Family Caregivers in an Urban Emergency Department [ARORA] 1:1

Dietary Factors Associated with Adiponectin in Filipino-American Women [MEDINA-TORNE] 2:190

Family Support is Associated with Success in Achieving Weight Loss in a Group Lifestyle Intervention for Diabetes Prevention in Arab Americans [PINELLI] 4:480

Food Insecurity is Related to Increased Risk of Type 2 Diabetes among Latinas [FITZGERALD] 3:328

Recruitment of Mexican American Adults for an Intensive Diabetes Intervention Trial [Martin] 1:7

Diabetes Distress

The Relative Impact of Diabetes Distress vs Depression on Glycemic Control in Hispanic Patients following a Diabetes Self-management Education Intervention [LEYVA] 3:322

Diabetes Knowledge

Diabetes Management

Diabetes Mellitus

Prevalence of Metabolic Syndrome in the Indigenous Population, Aged 19 to 69 Years, from Jaguapiru Village, Dourados (MS), Brazil [de Oliveira] 3:301

Diabetes Offspring

Diabetes Prevention Program

Family Support is Associated with Success in Achieving Weight Loss in a Group Lifestyle Intervention for Diabetes Prevention in Arab Americans [PINELLI] 4:480

Diabetes Self-management

Diabetic Care

Ethnic and Language Disparities in Diabetes Care among California Residents [Choi] 2:183

Dietary Intake

Disability

Evidence of Reduced Health-Related Quality of Life in Older Mexican Americans with Arthritis [Bindawas] 2:230

Disaster

Building Community Resilience through Mental Health Infrastructure and Training in Post-Katrina New Orleans [Springgate] 3:S1–20

Community Perspectives on Post-Katrina Mental Health Recovery in New Orleans [Meyers] 3:S1–52

Community-Based Partnered Participatory Development of a Community Health Worker Mental Health Outreach Role to Extend Collaborative Care in Post-Katrina New Orleans [Wennerstrom] 1:S1–45
Determinants of Inflammatory Markers in a Bi-ethnic Population [Paalani] 2:142
Health Care Delivery
Adapting the Everyday Discrimination Scale to Medical Settings: Reliability and Validity Testing in a Sample of African American Patients [Peek] 4:502
Health Care Discrimination
Adapting the Everyday Discrimination Scale to Medical Settings: Reliability and Validity Testing in a Sample of African American Patients [Peek] 4:502
Health Communication
Participatory and Social Media to Engage Youth: From the Obama Campaign to Public Health Practice [Goodman] 3:S1–94
Health Disparities
Adapting the Everyday Discrimination Scale to Medical Settings: Reliability and Validity Testing in a Sample of African American Patients [Peek] 4:502
Elevated Body Mass Index and Obesity among Racially and Ethnically Diverse Adolescents [Saah] 3:176
Health Promotion
Health Status
Health Status and Sociodemographic Characteristics of the Morbibly Obese American Indians [Hodge] 1:52
Health Status Disparities
An Excess of Breast Cancer among Young California-born Asian Women [Reynolds] 2:196
Health-related Quality of Life
Health-Related Quality of Life among African Americans with Multiple Sclerosis [Buchanan] 3:377
Hemoglobinopathy
Sickle Cell Anemia: Delayed Diagnosis in Bahia, Brazil - A Largely Afro-Descendant Indigenous Population [Zanette] 2:243
High School
Impact of an Urban Community Hypertension Screening Program on Participating High School Students [Oviabioge] 1:68
Hispanic
Food Insecurity is Related to Increased Risk of Type 2 Diabetes among Latinas [Fitzgerald] 3:328
Impact of an Urban Community Hypertension Screening Program on Participating High School Students [Oviabioge] 1:68
Safety and Efficacy of Colonoscopy in the Elderly: Experience in an Inner-city Community Hospital serving African American and Hispanic Patients [Akhtar] 4:412
The Relative Impact of Diabetes Distress vs Depression on Glycemic Control in Hispanic Patients following a Diabetes Self-management Education Intervention [Leyva] 3:322
Hispanic Subgroups
Racial/Ethnic Disparities on Self-reported Hypertension in New York City: Examining Disparities among Hispanic Subgroups [Borrrell] 4:429
HIV/STI Risk
African American Adolescents and New Media: Associations with HIV/STI Risk Behavior and Psychosocial Variables [Whiteley] 2:216
Hospital
Changes in Patterns of Racial Disparities in Attending Low-Mortality Hospitals and Outcomes among Patients with Stroke [Shen] 2:135
Hospital Closure
Increased Patient Delays in Care after the Closure of Martin Luther King Hospital: Implications for Monitoring Health System Changes [Walker] 3:356
HPV
HPV Vaccine Readiness among American Indian College Students [Hodge] 4:415
HPV Vaccine
African American Parents’ Attitudes toward HPV Vaccination [Thompson] 3:335
The Impact of Social Communication on Perceived HPV Vaccine Effectiveness in a Low-income, Minority Population [Casillas] 4:495
Patient Papillomavirus
HPV Vaccine Readiness among American Indian College Students [Hodge] 4:415
Hurricane Katrina
Community Perspectives on Post-Katrina Mental Health Recovery in New Orleans [Meyers] 3:31–52
Opportunities and Challenges of Implementing Collaborative Mental Health Care in Post-Katrina New Orleans [Bentham] 3:S1–30
Hypertension
Hypertension in Bo, Sierra Leone [Meehan] 2:237
Impact of an Urban Community Hypertension Screening Program on Participating High School Students [Oviabioge] 1:68
Plasma Catecholamines in Nigerians with Primary Hypertension [Adebiyi] 2:158
Prevalence of Metabolic Syndrome in the Indigenous Population, Aged 19 to 69 Years, from Jaguaquir Village, Douardos (MS), Brazil [de Oliveira] 3:301
Immigrant
Maternal Immigrant Status and High Birth Weight: Implications for Childhood Obesity [El-Sayed] 1:47
Implementation
Community-Based Partnered Research: New Directions in Mental Health Services Research [Alegria] 3:S1–8
Opportunities and Challenges of Implementing Collaborative Mental Health Care in Post-Katrina New Orleans [Bentham] 3:S1–30
Income
The Association between Income, Education, and Experiences of Discrimination in Older African American and European American Patients [Halanych] 2:223
Inflammatory Markers
Determinants of Inflammatory Markers in a Bi-ethnic Population [Paalani] 2:142
Insulin Resistance
Insulin Sensitivity
Pathobiology of Pre-diabetes in a Biracial Cohort (POP-ABC): Design and Methods [Dagogo-Jack] 1:33
Intergenerational
Maternal Immigrant Status and High Birth Weight: Implications for Childhood Obesity [El-Sayed] 1:47
Interpreting
Diabetes Care and Language Discourse among Chinese and Latino Primary Care Patients [Gany] 4:473
Interventions
The Relative Impact of Diabetes Distress vs Depression on Glycemic Control in Hispanic Patients following a Diabetes Self-management Education Intervention [Leyva] 3:322
Language Proficiency
Ethnic and Language Disparities in Diabetes Care among California Residents [Choi] 2:183
Latina
Latino
Diabetes Care and Language Discourse among Chinese and Latino Primary Care Patients [Gany] 4:473
Recruitment and Retention of African American and Latino Pre-adolescent Females into a Longitudinal Biobehavioral Study [Shahabi] 1:91
The Relative Impact of Diabetes Distress vs Depression on Glycemic Control in Hispanic Patients following a Diabetes Self-management Education Intervention [Leyva] 3:322
Latino Families
Left Ventricular Hypertrophy
Risk Factors for Acute Non-ST-Segment Elevation Myocardial Infarction in a Population Sample of Predominantly African American

Ethnicity & Disease, Volume 22, Spring 2012

S

Subjects Index, Vol 21

Patients with Chest Pain and Normal Coronary Arteries [Lapu-Bula] 1:421
Life Satisfaction
Evidence of Reduced Health-Related Quality of Life in Older Mexican Americans with Arthritis [Bindawas] 2:230
Lifestyle Intervention
Differential Response of African American and Caucasian Women to Extended-Care Programs for Obesity Management [Ricket] 2:170
Family Support is Associated with Success in Achieving Weight Loss in a Group Lifestyle Intervention for Diabetes Prevention in Arab Americans [Pineilli] 4:480
Lipid Levels
Ethnic Variations in Lipid-lowering in Response to a Statin (EVIREST): a Substudy of the Anglo-Scandinavian Cardiac Outcomes Trial (ASCOT) [Chapman] 2:150
Los Angeles
Impact of an Urban Community Hypertension Screening Program on Participating High School Students [Ovbiagele] 1:68
Macrosomia
Maternal Immigrant Status and High Birth Weight: Implications for Childhood Obesity [El-Sayed] 1:47
Medical Communication
Culture and Colorectal Cancer Screening on Three American Indian Reservations [Perdue] 3:342
Men
Low Prevalence of Vitamin D Deficiency in Elderly Afro-Caribbean Men [Miljkovic] 1:79
Mental Health
Building Community Resilience through Mental Health Infrastructure and Training in Post-Katrina New Orleans [Springgate] 3:51–20
Community Perspectives on Post-Katrina Mental Health Recovery in New Orleans [Meyers] 3:51–52
Community-Based Participatory Development of a Community Health Worker Mental Health Outreach Role to Extend Collaborative Care in Post-Katrina New Orleans [Wennerstrom] 1:51–4
Community-Based Partnered Research: New Directions in Mental Health Services Research [Alegria] 3:51–8
Participatory and Social Media to Engage Youth: From the Obama Campaign to Public Health Practice [Goodman] 3:51–94
Partnered Participatory Research to Build Community Capacity and Address Mental Health Disparities and Disaster [Springgate] 3:51–1
The Partnered Research Center for Quality Care: Developing Infrastructure to Support Community-partnered Participatory Research in Mental Health [Lizaola] 3:51–58
Metabolic Risk Factor
Association between Serum C-reactive Protein and Metabolic Syndrome in Mongolian Patients in Comparison to Japanese Patients [Shuumaarjaa] 1:74
Metabolic Syndrome
Prevalence of Metabolic Syndrome in the Indigenous Population, Aged 19 to 69 Years, from Jaguapiru Village, Dourados (MS), Brazil [de Oliveira] 3:301
Mexican American
Recruitment of Mexican American Adults for an Intensive Diabetes Intervention Trial [Martin] 1:7
Minorities
Impact of an Urban Community Hypertension Screening Program on Participating High School Students [Ovbiagele] 1:68
Minority Recruitment and Retention of African American and Latino Preadolescent Females into a Longitudinal Biobehavioral Study [Shahabi] 1:91
Minority Health
Morbid Obesity
Health Status and Sociodemographic Characteristics of the Morbidly Obese American Indians [Hodge] 1:52
Mortality
Changes in Patterns of Racial Disparities in Attending Low-Mortality Hospitals and Outcomes among Patients with Stroke [Shen] 2:135
Racial Residential Segregation and Stroke Mortality in Atlanta [Greer] 4:437
Relationship of Body Size and Mortality among US Asians and Pacific Islanders on Dialysis [Hall] 1:40
Multiple Sclerosis
Health-Related Quality of Life among African Americans with Multiple Sclerosis [Buchanan] 3:377
Native Americans
Cancer Screening among Native Americans in California [Simonds] 2:202
Nativity Status
Racial/Ethnic Disparities on Self-reported Hypertension in New York City: Examining Disparities among Hispanic Subgroups [Borrell] 4:429
Neighborhood Environment
Racial Residential Segregation and Stroke Mortality in Atlanta [Greer] 4:437
New York City
Racial/Ethnic Disparities on Self-reported Hypertension in New York City: Examining Disparities among Hispanic Subgroups [Borrell] 4:429
Nigerians
Plasma Catecholamines in Nigerians with Primary Hypertension [Adebiyi] 2:158
Non-ST-elevation Myocardial Infarction
Normal Coronary Angiograms
Nutrition
Food Insecurity is Related to Increased Risk of Type 2 Diabetes among Latinas [Fitzgerald] 3:328
Obesity
Attitudes of African American Advocates toward Childhood Obesity [Johnson-Askew] 3:281
Commentary: A Social-ecological Perspective on Obesity Among Latinos [Williams] 4:467
Effects of Socioeconomic Factors on Obesity Rates in Four Southern States and Colorado [Aki] 1:58
Elevated Body Mass Index and Obesity among Racially and Ethnically Diverse Adolescents [Saab] 2:176
Food Insecurity is Related to Increased Risk of Type 2 Diabetes among Latinas [Fitzgerald] 3:328
Impact of an Urban Community Hypertension Screening Program on Participating High School Students [Ovbiagele] 1:68
Prevalence of Metabolic Syndrome in the Indigenous Population, Aged 19 to 69 Years, from Jaguapiru Village, Dourados (MS), Brazil [de Oliveira] 3:301

Relationship of Body Size and Mortality among US Asians and Pacific Islanders on Dialysis [Hall] 1:40
Ethnicity & Disease, Volume 22, Spring 2012
Obesity/epidemiology
Occurrence and Correlates of Overweight and Obesity among Island Puerto Rican Youth [Garza] 2:163
Older Minorities
Increased Patient Delays in Care after the Closure of Martin Luther King Hospital: Implications for Monitoring Health System Changes [Walker] 3:356
Outcome and Process Assessment
Acute Myocardial Infarction Quality of Care: The Strong Heart Study [Best] 3:294
Outcomes
Changes in Patterns of Racial Disparities in Attending Low-Mortality Hospitals and Outcomes among Patients with Stroke [Shen] 2:135
Impact of an Urban Community Hypertension Screening Program on Participating High School Students [Ovbiagele] 1:68
Overweight
Overweight/epidemiology
Occurrence and Correlates of Overweight and Obesity among Island Puerto Rican Youth [Garza] 2:163
Pacific Islander
Relationship of Body Size and Mortality among US Asians and Pacific Islanders on Dialysis [Hall] 1:40
Pain
Racial Differences in Pain Reports between Black and White Participants with Chronic Venous Disorders Treated with Cryotherapy Compared to Usual Care [Matutina] 4:451
Papillary
Occurrence and Correlates of Overweight and Obesity among Island Puerto Rican Youth [Garza] 2:163
Pathogenesis
Patient Education
Culture and Colorectal Cancer Screening on Three American Indian Reservations [Perdue] 3:342
Perceived Vaccine Effectiveness
The Impact of Social Communication on Perceived HPV Vaccine Effectiveness in a Low-income, Minority Population [Casillas] 4:495
Physical Activity
Attitudes and Beliefs Associated with Leisure-Time Physical Activity among African American Adults [Affenos] 1:63
Food Insecurity is Related to Increased Risk of Type 2 Diabetes among Latinas [Fitzgerald] 3:328
Occurrence and Correlates of Overweight and Obesity among Island Puerto Rican Youth [Garza] 2:163
Recruitment and Retention of African American and Latino Preadolescent Females into a Longitudinal Biobehavioral Study [Shahabi] 1:91
Post-disaster
Postmenopausal
Poverty
Effects of Socioeconomic Factors on Obesity Rates in Four Southern States and Colorado [Akdil] 1:58
Preferences
Factors Related to Physical Activity and Recommended Intervention Strategies as Told by Midlife and Older African American Men [Hooker] 3:261
Preschool
Preterm Birth
African American Women’s Exposure to Intercultural Racial Discrimination in Public Settings and Preterm Birth: The Effect of Coping Behaviors [Rankin] 3:370
Prevalence
Occurrence and Correlates of Overweight and Obesity among Island Puerto Rican Youth [Garza] 2:163
Prevention
Outcomes of Thyroid Cancer in African Americans [Hollenbeak] 2:210
Racial Disparities
Outcomes of Thyroid Cancer in African Americans [Hollenbeak] 2:210
Racial Difference
Differential Response of African American and Caucasian Women to Extended-Care Programs for Obesity Management [Rickel] 2:170
Race/ethnicity
Adapting the Everyday Discrimination Scale to Medical Settings: Reliability and Validity Testing in a Sample of African American Patients [Peek] 4:502
Racial/Ethnic Disparities on Self-reported Hypertension in New York City: Examining Disparities among Hispanic Subgroups [Borrrell] 4:429
The Effects of Obama’s Political Success on the Self-rated Health of Blacks, Hispanics, and Whites [Malat] 3:549
Race
Differential Response of African American and Caucasian Women to Extended-Care Programs for Obesity Management [Rickel] 2:170
Racial Disparities
Outcomes of Thyroid Cancer in African Americans [Hollenbeak] 2:210
Racism
African American Women’s Exposure to Intercultural Racial Discrimination in Public Settings and Preterm Birth: The Effect of Coping Behaviors [Rankin] 3:370
Readiness
HPV Vaccine Readiness among American Indian College Students [Hodge] 4:415
Recruitment
Recruitment and Retention of African American and Latino Preadolescent Females into a Longitudinal Biobehavioral Study [Shahabi] 1:91
Recruitment of Mexican American Adults for an Intensive Diabetes Intervention Trial [Martin] 1:7
Residential Segregation
Racial Residential Segregation and Stroke Mortality in Atlanta [Greer] 4:437
