Index to Volume 22

Subject Index

Acculturation
Assessment of the Effect of Acculturation on Dietary and Physical Activity Behaviors of Arab Mothers in Lubbock, Texas [Tami] 2:192

Discrimination, Acculturation and Other Predictors of Depression among Pregnant Hispanic Women [Walker] 4:497

The Relation of Acculturation to Overweight, Obesity, Pre-Diabetes and Diabetes among US Mexican-American Women and Men [Garcia] 1:58

Adiposity

Adjuvant Therapy
Black Medicaid Beneficiaries Experience Breast Cancer Treatment Delays More Frequently than Whites [Balasubramanian] 3:288

Admixture

Adolescence
Race, Ethnicity, and the Relevance of Obesity for Social Integration [Cunningham] 3:317

Adults
Sex-Dependent Effects of the UCP1 23826 A/G Polymorphism on Obesity and Blood Pressure [Dhall] 2:181

Aerobic Training
Targeting the Type 2 Diabetes Epidemic in Polynesia: Historical Perspective and Rationale for Exercise Intervention Trials [Sukala] 2:123

Africa
Prevalence of Hypertension and Diabetes Mellitus in Adults from a Rural Community in Ghana [Cook-Hyunh] 3:347

African American

Exploring the Association between Reported Discrimination and Hypertension among African Americans: A Systematic Review [Cuffee] 4:422

Foreword: A Tribute to the Work of JHS Investigators, the Jackson Community and NIH Scientists [Petigrew] 3:S1–2

Foreword: Applauding Research Efforts Addressing Disparities in Cardiovascular Disease [Ruffin] 3:S1–1

Gene-Environment Effects of SLC4A5 and Skin Color on Blood Pressure among African American Women [Taylor] 2:155

Introduction: Jackson Heart Study – Building a 21st Century Platform for Discovery, Service and Training to Address an American Health Priority [Taylor] 3:S1–3

Life course Educational Status in Relation to Weight Gain in African American Women [Coogan] 2:198

Racial/Ethnic Disparities, Social Support, and Depression: Examining a Social Determinant of Mental Health [Shim] 1:15

Response to Disease Modifying Therapies in African Americans with Multiple Sclerosis [Klinova] 2:221

Review: Heart Failure with Preserved Ejection Fraction in African Americans [Shah] 4:432

African American Women

Alcohol

Alkaline Phosphatase

American Indian Health
Special Diabetes Program for Indians: Reliability and Validity of Brief Measures of Print Literacy and Numeracy [Brega] 2:207

Antenatal Care

Anti-hyperglycemic Therapy
Demographic Differences in the Treatment and Control of Glucose in Type 2 Diabetic Patients: Implications for Health Care Practice [Egan] 1:29

Arab
Assessment of the Effect of Acculturation on Dietary and Physical Activity Behaviors of Arab Mothers in Lubbock, Texas [Tami] 2:192

Barriers to Breast Cancer Screening and Treatment among Women in Emirate of Abu Dhabi [Sabih] 2:148

Arterial Stiffness

Asian Indian
A Comparison of Lifestyle and Behavioral Cardiovascular Disease Risk Factors between Asian Indian and White Non-Hispanic Men [Ghai] 2:168

Atherosclerosis

Behavior

Bias
Exploring the Association between Reported Discrimination and Hypertension among African Americans: A Systematic Review [Cuffee] 4:422

Biomedical Imaging

Black
Exploring the Association between Reported Discrimination and Hypertension among African Americans: A Systematic Review [Cuffee] 4:422

Blood Pressure
Body Mass Index and Waist Circumference Predictors of Cardiovascular Risk in African Americans [Clark] 2:162

Gene-Environment Effects of SLC4A5 and Skin Color on Blood Pressure among African American Women [Taylor] 2:155

Sex-Dependent Effects of the UCP1 23826 A/G Polymorphism on Obesity and Blood Pressure [Dhall] 2:181

Body Mass Index
Body Mass Index and Waist Circumference Predictors of Cardiovascular Risk in African Americans [Clark] 2:162

Sex and Ethnic Differences in Validity of Self-reported Adult Height, Weight and Body Mass Index [Wen] 1:72

The Relation of Acculturation to Overweight, Obesity, Pre-Diabetes and Diabetes among US Mexican-American Women and Men [Garcia] 1:58
Body Weight
Race, Ethnicity, and the Relevance of Obesity for Social Integration [Cunningham] 3:317
Brazil
Racial Discrimination and Health in Brazil: Evidence from a Population-Based Survey [Pavao] 3:353
BRCA1/2
Breast Cancer
Black Medicaid Beneficiaries Experience Breast Cancer Treatment Delays More Frequently than Whites [Balasubramanian] 3:288
C-Reactive Protein
Leukocyte Count and Cardiometabolic Risk Among Healthy Participants with Parental Type 2 Diabetes: The Pathobiology of Prediabetes in a Biracial Cohort Study [Boucher] 4:445
CAD Risk Factors
Coronary Angiographic Findings and Conventional Coronary Artery Disease Risk Factors of Indo-Guyanese Immigrants with Stable Angina Pectoris and Acute Coronary Syndromes [Silbiger] 1:12
Cancer
Health-Related Quality of Life in Elderly Black and White Patients with Cancer: Results from Medicare Managed Care Population [Ye] 3:302
Cancer Screening
Design and Evaluation of a Theory-Based, Culturally Relevant Outreach Model for Breast and Cervical Cancer Screening for Latina Immigrants [White] 3:274
Cardiac Output
Body Mass Index and Waist Circumference Predictors of Cardiovascular Risk in African Americans [Clark] 2:162
Cardiovascular Disease
A Comparison of Lifestyle and Behavioral Cardiovascular Disease Risk Factors between Asian Indian and White Non-Hispanic Men [Ghai] 2:168
Cardiovascular Disease Outcomes: Priorities Today, Priorities Tomorrow for Research and Community Health [Yance] 3:S1–7
Cardiovascular and Diabetes Risk Perception in a Hispanic Community Sample [Diaz] 1:5
Foreword: A Tribute to the Work of JHS Investigators, the Jackson Community and NIH Scientists [Petitgrew] 3:S1–2
Foreword: Applauding Research Efforts Addressing Disparities in Cardiovascular Disease [Ruffin] 3:S1–1
Introduction: Jackson Heart Study – Building a 21st Century Platform for Discovery, Service and Training to Address an American Health Priority [Taylor] 3:S1–3
Love Your Heart: A Pilot Community-Based Intervention to Improve the Cardiovascular Health of African American Women [Rodriguez] 4:416
Panel Summary: Major Cardiovascular Disease Outcomes: Priorities Today, Priorities Tomorrow for Research and Community Health [Fox] 3:S1–13
Panel Summary: What’s Now and What’s New in Genomics, Epigenomics and Cardiovascular Disease! [Wilson] 3:S1–47
Panel Summary: Social, Cultural and Psychosocial Determinants of Cardiovascular Disease/Health [Simons] 3:S1–22
Synthesis: The Jackson Heart Study of the Future [Taylor] 3:S1–49
The Impact of Traditional Risk Factor Development on the Life Course of Cardiovascular Diseases [Lloyd-Jones] 3:S1–30
The Revolution in Risk Assessment and Disease Detection Made Possible with Non-invasive Imaging: Implications for Population Science [Carr] 3:S1–24
The Social Context of Cardiovascular Disease: Challenges and Opportunities for the Jackson Heart Study [Williams] 3:S1–15
Cardiovascular Disease Mortality
The Social Context of Cardiovascular Disease: Challenges and Opportunities for the Jackson Heart Study [Williams] 3:S1–15
Cardiovascular Risk
Body Mass Index and Waist Circumference Predictors of Cardiovascular Risk in African Americans [Clark] 2:162
Differences in Conventional Cardiovascular Risk Factors in Two Ethnic Groups in India [Garg] 3:372
Panel Summary: Social, Cultural and Psychosocial Determinants of Cardiovascular Disease/Health [Simons] 3:S1–22
Prevalence of Hypertension and Associated Risk Factors in Six Nicaraguan Communities [Laux] 2:129
Caribbean Blacks
Racial/Ethnic Disparities, Social Support, and Depression: Examining a Social Determinant of Mental Health [Shin] 1:15
Central America
Prevalence of Hypertension and Associated Risk Factors in Six Nicaraguan Communities [Laux] 2:129
Child
Rapid Growth from 12 to 23 Months of Life Predicts Obesity in a Population of Pacific Island Children [Ohkireho] 4:439
Cholesterol
Chronic Kidney Disease
Panel Summary: Major Cardiovascular Disease Outcomes: Priorities Today, Priorities Tomorrow for Research and Community Health [Fox] 3:S1–13
Chronic Stress
Clinical Biochemistry
Biochemical Differences in Ethnic Groups in Durango, Mexico [Lares-Asseff] 1:102
Clinical Trials
Barriers and Facilitators to Participation of Minorities in Clinical Trials [Schommer] 2:226
Characterization of Clinical Study Populations by Race and Ethnicity in Biomedical Literature [Kanakamedala] 1:96
Cognitive Impairment
Type 2 Diabetes and Ethnic Disparities in Cognitive Impairment [Noble] 1:38
Community-based
Engaging Community Partners to Develop a Culturally Relevant Resource Guide for Physical Activity and Nutrition [Bopp] 2:231
Community-based Participatory Research
Design and Evaluation of a Theory-Based, Culturally Relevant Outreach Model for Breast and Cervical Cancer Screening for Latina Immigrants [White] 3:274
Love Your Heart: A Pilot Community-Based Intervention to Improve the Cardiovascular Health of African American Women [Rodriguez] 4:416
Coronary Angiography
Coronary Angiographic Findings and Conventional Coronary Artery Disease Risk Factors of Indo-Guyanese Immigrants with Stable Angina Pectoris and Acute Coronary Syndromes [Silbiger] 1:12
Coronary Artery Disease
Coronary Angiographic Findings and Conventional Coronary Artery Disease Risk Factors of Indo-Guyanese Immigrants with Stable Angina Pectoris and Acute Coronary Syndromes [Silbiger] 1:12
Differences in Conventional Cardiovascular Risk Factors in Two Ethnic Groups in India [Garg] 3:372
The Revolution in Risk Assessment and Disease Detection Made Possible with Non-invasive Imaging: Implications for Population Science [Carr] 3:S1–24
Coronary Heart Disease
The Impact of Traditional Risk Factor Development on the Life Course of Cardiovascular Diseases [Lloyd-Jones] 3:S1–30
Cross-sectional Studies
Racial Discrimination and Health in Brazil: Evidence from a Population-Based Survey [Pavao] 3:353
Cultural
The Latino Health Project: Pilot Testing a Culturally Adapted Behavioral Weight Loss
Transdisciplinary Approaches to Understanding and Eliminating Ethnic Health Disparities: Are We on the Right Track? [Knerr] 4:504

Health Insurance
Health Insurance Coverage among Diabetic Adults from Three Major Ethnic Groups in the United States [Ekperu] 4:486

Health Literacy
Special Diabetes Program for Indians: Reliability and Validity of Brief Measures of Print Literacy and Numeracy [Brega] 2:207

Health Outcome
Transdisciplinary Approaches to Understanding and Eliminating Ethnic Health Disparities: Are We on the Right Track? [Knerr] 4:504

Health Risk Factors
The Impact of Traditional Risk Factor Development on the Life Course of Cardiovascular Diseases [Lloyd-Jones] 3:S1–30

Health Status
Racial Discrimination and Health in Brazil: Evidence from a Population-Based Survey [Pavão] 3:353

Health-related Quality of Life
Health-Related Quality of Life in Elderly Black and White Patients with Cancer: Results from Medicare Managed Care Population [Ye] 3:302

Heart Attack
Foreword: Celebrating the First Ten Years of Research Excellence from the Jackson Heart Study [Sharir] 3:S1–1

Heart Failure
Review: Heart Failure with Preserved Ejection Frac-tion in African Americans [Shah] 4:432
Heart Failure with Preserved Ejection Fraction Review: Heart Failure with Preserved Ejection Frac-tion in African Americans [Shah] 4:432

High-density Lipoprotein

Hispanic
Cardiovascular and Diabetes Risk Perception in a Hispanic Community Sample [Diaz] 1:5
Descriptive Profile of People with Diabetes Who Use the Puerto Rico Quitline [Cabrera-Serrano] 1:45
Engaging Community Partners to Develop a Culturally Relevant Resource Guide for Physical Activity and Nutrition [Bopp] 2:231
The En Balance Spanish Diabetes Education Program Improves Apolipoproteins, Serum Glucose and Body Composition in Hispanic Diabetics [Chukwueke] 2:215
Hispanic Women
Discrimination, Acculturation and Other Predic-tors of Depression among Pregnant Hispanic Women [Walker] 4:497
Human Papillomavirus
Need for Effective HPV Vaccine Promotional Messaging Before Sexual Activity Begins [Lechuga] 3:266

Hypertension
Differences in Conventional Cardiovascular Risk Factors in Two Ethnic Groups in India [Garg] 3:372
Effects of Parity on Blood Pressure among West African Dogon Women [Taylor] 3:360
Exploring the Association between Reported Discrimination and Hypertension among African Americans: A Systematic Review [Cuffe] 4:422
Love Your Heart: A Pilot Community-Based Intervention to Improve the Cardiovascular Health of African American Women [Rodriguez] 4:416
Prevalence and Correlates of Hypertension Among the Ibibio/Annangs, Efiks and Obo-loos: A Cross Sectional Community Survey in Rural South-South Nigeria [Andye] 3:335
Prevalence of Hypertension in Kekbara-Dere, a Rural Community in the Niger Delta Region, Nigeria [OwusuElowa] 3:340
Prevalence of Hypertension and Diabetes Mellitus in Adults from a Rural Community in Ghana [Cook-Huynh] 3:347
Prevalence of Hypertension and Associated Risk Factors in Six Nicaraguan Communities [Laubs] 2:129
Prevalence of Metabolic Syndrome among Hypertensive Patients in Abuja, Nigeria [Ojji] 1:1
Racial and Ethnic Differences in Hypertension Risk: New Diagnoses after Age 50 [Quiñones] 2:175
Variations in Hypertension-related Outcomes among Blacks, Whites and Hispanics in Two Large Urban Areas and in the United States [Hunte] 4:391

Hypertensive Heart Disease
Dominance of Hypertensive Heart Disease in a Tertiary Hospital in Southern Nigeria: An Echocardiographic Study [James] 2:136

Indo-Guyanese
Coronary Angiographic Findings and Conventional Coronary Artery Disease Risk Factors of Indo-Guyanese Immigrants with Stable Angina Pectoris and Acute Coronary Syndromes [Silbiger] 1:12

Inflammation

Inflammatory Markers
Leukocyte Count and Cardiometabolic Risk Among Healthy Participants with Parental Type 2 Diabetes: The Pathobiology of Prediabetes in a Biracial Cohort Study [Boucher] 4:445

Insulin Resistance

Insurance
Barriers to Breast Cancer Screening and Treatment among Women in Emirate of Abu Dhabi [Sahbi] 2:148

Intervention
The Latino Health Project: Pilot Testing a Culturally Adapted Behavioral Weight Loss Intervention in Obese and Overweight Latino Adults [Corsino] 1:51

Interviews
Barriers to Breast Cancer Screening and Treatment among Women in Emirate of Abu Dhabi [Sahbi] 2:148

Italy
Review of the Scientific Literature on the Health of the Roma and Sinti in Italy [Monasta] 3:367

Jackson Heart Study
Foreword: A Tribute to the Work of JHS Investigators, the Jackson Community and NIH Scientists [Pettigrew] 3:S1–2
Foreword: Applauding Research Efforts Addressing Disparities in Cardiovascular Disease [Ruffin] 3:S1–1
Introduction: Jackson Heart Study – Building a 21st Century Platform for Discovery, Service and Training to Address an American Health Priority [Taylor] 3:S1–3
Synthesis: The Jackson Heart Study of the Future [Taylor] 3:S1–49
The Impact of Traditional Risk Factor Development on the Life Course of Cardiovascular Diseases [Lloyd-Jones] 3:S1–30
The Revolution in Risk Assessment and Disease Detection Made Possible with Non-invasive Imaging: Implications for Population Science [Carr] 3:S1–24
The Social Context of Cardiovascular Disease: Challenges and Opportunities for the Jackson Heart Study [Williams] 3:S1–15

Latina Immigrants
Design and Evaluation of a Theory-Based, Culturally Relevant Outreach Model for Breast and Cervical Cancer Screening for Latina Immigrants [White] 3:274

Latinos
Cardiovascular and Diabetes Risk Perception in a Hispanic Community Sample [Diaz] 1:5
Prevalence and Correlates of Hypertension Among the Ibibio/Annangs, Efik and Obo-los: A Cross Sectional Community Survey in Rural South-South Nigeria [Andy] 3:335

Prevalence of Hypertension and Diabetes Mellitus in Adults from a Rural Community in Ghana [Cook-Hynih] 3:347

Prevalence of Hypertension in Kegbara-Dere, a Rural Community in the Niger Delta Region, Nigeria [Owuchekwa] 3:340

SEER Program

Self-reported Sex and Ethnic Differences in Validity of Self-reported Adult Height, Weight and Body Mass Index [Wen] 1:72

Sex and Ethnic Differences in Validity of Self-reported Adult Height, Weight and Body Mass Index [Wen] 1:72

Sinti Review of the Scientific Literature on the Health of the Roma and Sinti in Italy [Monasta] 3:367

Skin Color

Sleep

Smoking Cessation
Descriptive Profile of People with Diabetes Who Use the Puerto Rico Quitline [Cabrera-Serrano] 1:45

Snooring

Social Cognitive Theory
Assessment of the Effect of Acculturation on Dietary and Physical Activity Behaviors of Arab Mothers in Lubbock, Texas [Tami] 2:192

Social Factors

Social Integration
Race, Ethnicity, and the Relevance of Obesity for Social Integration [Cunningham] 3:317

Social Stigma
Barriers to Breast Cancer Screening and Treatment among Women in Emirate of Abu Dhabi [Sabih] 2:148

Social Support
Racial/Ethnic Disparities, Social Support, and Depression: Examining a Social Determinant of Mental Health [Shim] 1:15

Socioeconomic
Lifecourse Educational Status in Relation to Weight Gain in African American Women [Coogan] 2:198

Panel Summary: Social, Cultural and Psycho-social Determinants of Cardiovascular Disease/Health [Sims] 3:51–22

South-South Nigeria
Prevalence and Correlates of Hypertension Among the Ibibio/Annangs, Efik and Obolos: A Cross Sectional Community Survey in Rural South-South Nigeria [Andy] 3:335

Stressors
Panel Summary: Social, Cultural and Psycho-social Determinants of Cardiovascular Disease/Health [Sims] 3:51–22

Stroke
Cardiovascular Disease Outcomes: Priorities Today, Priorities Tomorrow for Research and Community Health [Yancy] 3:51–7

Foreword: Celebrating the First Ten Years of Research Excellence from the Jackson Heart Study [Shurin] 3:51–1

Stroke Volume
Body Mass Index and Waist Circumference Predictors of Cardiovascular Risk in African Americans [Clark] 2:162

Tobacco
Descriptive Profile of People with Diabetes Who Use the Puerto Rico Quitline [Cabrera-Serrano] 1:45

Transdisciplinary
Transdisciplinary Approaches to Understanding and Eliminating Ethnic Health Disparities: Are We on the Right Track? [Knerl] 4:504

Treatment Delays
Black Medicaid Beneficiaries Experience Breast Cancer Treatment Delays More Frequently than Whites [Balasubramanian] 3:288

Triglycerides

Type 2 Diabetes
Profile of Diabetes Mellitus among Immigrants from Guyana: Epidemiology and Implications for Community Action [Back] 4:473

The En Balance Spanish Diabetes Education Program Improves Apolipoproteins, Serum Glucose and Body Composition in Hispanic Diabetics [Chukuwueke] 2:215

Type 2 Diabetes and Ethnic Disparities in Cognitive Impairment [Noble] 1:38

Uncoupling Protein 1
Sex-Dependent Effects of the UCP1 23826 A/G Polymorphism on Obesity and Blood Pressure [Dhall] 2:181

Underserved

Unfair Treatment
Exploring the Association between Reported Discrimination and Hypertension among...
African Americans: A Systematic Review
[Cuffee] 4:422
United Arab Emirates
Barriers to Breast Cancer Screening and Treatment among Women in Emirate of Abu Dhabi [Sabih] 2:148
Urban Health
Variations in Hypertension-related Outcomes among Blacks, Whites and Hispanics in Two Large Urban Areas and in the United States [Hunte] 4:391
Urban Issues
Exploratory Study on the International Medical Graduate – Patient Relationship: Patient’s Perceptions of the Quality of Care Delivered by His or Her Non-Native Doctor [Weber] 1:79
Urothelial Cancer
Validity
Sex and Ethnic Differences in Validity of Self-reported Adult Height, Weight and Body Mass Index [Wen] 1:72
Vascular Calcification
Visceral Adipose Tissue
Waist Circumference
A Comparison of Metabolic Syndrome (MetS) Risk Factors in Filipino Women and Filipino American Women: A Pilot Study [Ancheta] 4:404
Body Mass Index and Waist Circumference Predictors of Cardiovascular Risk in African Americans [Clark] 2:162
Leukocyte Count and Cardiometabolic Risk Among Healthy Participants with Parental Type 2 Diabetes: The Pathobiology of Prediabetes in a Biracial Cohort Study [Boucher] 4:445
Weight
Lifecourse Educational Status in Relation to Weight Gain in African American Women [Coogan] 2:198
Weight Loss
The Latino Health Project: Pilot Testing a Culturally Adapted Behavioral Weight Loss Intervention in Obese and Overweight Latino Adults [Corsino] 1:51
West African
Effects of Parity on Blood Pressure among West African Dogon Women [Taylor] 3:360
White Non-Hispanic
A Comparison of Lifestyle and Behavioral Cardiovascular Disease Risk Factors between Asian Indian and White Non-Hispanic Men [Ghai] 2:168
Women
A Comparison of Metabolic Syndrome (MetS) Risk Factors in Filipino Women and Filipino American Women: A Pilot Study [Ancheta] 4:404
Effects of Parity on Blood Pressure among West African Dogon Women [Taylor] 3:360
Lifecourse Educational Status in Relation to Weight Gain in African American Women [Coogan] 2:198
