

Index to Volume 16

SUBJECT INDEX

- Abdominal obesity
Trends in abdominal fat distribution [Okosun] 2:338
- ABO
Hypertension, diabetes, and blood groups [Nemesure] 4:822
- Aboriginal
Body fat distribution in distinct populations [Lear] 1:96
- Accelerometers
Validity of physical activity measures [Carter-Nolan] 4:943
- Access to care
Cultural competence [Rust] 2:S3-29
- Acculturation
Social factors impact diabetes severity [Moayad] 2:452
Acculturation and poor birth outcomes in Hispanic women [Jeanne Ruiz] 4:926
- Active lifestyle
Walking intervention: dose-response [Brandon] 3:675
- Acute myocardial infarction
Myocardial infarction, guidelines and race [Williams] 3:653
- Acute rheumatic fever
Risk factors for developing rheumatic fever [Kurahara] 2:357
- Adiposity
Trends in abdominal fat distribution [Okosun] 2:338
- Adolescent(s)
Youth fitness varies with ethnicity [Shaibi] 1:120
Adolescent nicotine metabolism [Moolchan] 1:239
NM American Indian youth suicide attempts [Chino] 2:435
Attitudes toward HIV/AIDS prevention among adolescents in Zambia [Mukuka] 2:488
Ethnic differences in reasons for quitting [Luther] 3:739
- Acculturation
Perceptions and knowledge of Pap testing [Moreland] 1:223
- Acupuncture
Research in the acupuncture community [Kuo] 1:S1-98
- Affective psychosis
Affective psychosis and emergency room utilization [Washington] 3:712
- Africa
Eritrea: NCD risk factors [Usman] 2:542
Hypertension in rural Ghana [Addo] 4:894
- African American(s)/Blacks
Depression symptoms in Black and White girls [Hales] 1:1
CAD in African Americans and Hispanics [Onwuanyi] 1:58
- Risk factors for coronary heart disease [Davis] 1:113
- Cardiovascular disparities intervention [Shaya] 1:138
- Racial analyses of residents with MS [Buchanan] 1:159
- Maternal age and neighborhood poverty [Collins] 1:180
- Breast cancer risk factors [Zhu] 1:207
- Community fruit and vegetable access [Zenk] 1:275
- Review [Paradies] 1:295
- Community-partnered, participatory media arts project [Chung] 1:S1-67
- Community input for lifestyle program [Punzalan] 1:S1-79
- Hospitalizations and urban diabetes patients [Cook] 2:391
- Cigarette smoking African American women [Delva] 2:527
- Barriers to research participation [Kibler] 2:547
- Measurement of physical self-concept in Black and White girls [Dishman] 2:551
- Risk factors of childhood disease [Alto] 2:569
- Cultural competence [Rust] 2:S3-29
- Ethnic identity and health attitudes about type 2 diabetes [Brezo] 3:624
- African Americans and cardiovascular disease [Williams] 3:633
- Minority cancer survivors [Garofalo] 3:732
- Ethnic differences in reasons for quitting [Luther] 3:739
- Plasma aldosterone and African Americans [Jones] 3:S4-10
- Cultural competency and elderly African Americans [Johnson] 4:778
- Racism explains racial difference in trust [Adegbenbo] 4:792
- Metabolic syndrome in relatives of African Americans with diabetes [Boudoulais Meis] 4:830
- Glycemic control and renal outcomes [Crook] 4:865
- Diabetes and hospitalizations [Cook] 4:880
- Attitudes toward life-sustaining care [Bayer] 4:914
- Validity of physical activity measures [Carter-Nolan] 4:943
- Dietary intake for African American women [Crump] 4:963
- Prostatectomy among African Americans [Ukoli] 4:988
- Cancer screening among ethnic groups [Finney] 4:994
- African American men
Research and practice [Webb] 1:234
- African American women
African American women and barriers to physical activity [Genkinger] 1:78
- Aged
Anxiety in a tri-ethnic population [Ostir] 1:22
- Attitudes toward life-sustaining care [Bayer] 4:914
- Age factors
Age, race, and PSA test use [Ross] 1:244
- Aging
Health care in older Mexican Americans [Snih] 3:640
Cultural competency and elderly African Americans [Johnson] 4:778
- Alaska native(s)
Healthcare discrimination [Johansson] 4:766
National Eye Institute qualitative research [Silver] 4:920
- Ambient stress
Minority cancer survivors [Garofalo] 3:732
- American Indian(s)
Smoking cessation among American Indians [Choi] 1:35
NM American Indian youth suicide attempts [Chino] 2:435
Gastric emptying in ethnic populations [Phillips] 3:682
Healthcare discrimination [Johansson] 4:766
Mammography adherence of American Indians [Wampler] 4:808
National Eye Institute qualitative research [Silver] 4:920
- Ancestry
Diabetes, hypertension, and Arab Americans [Dallo] 3:699
- Anemia
Left ventricular hypertrophy and chronic kidney disease [Ulasi] 4:859
- Angina
Insurance and care for elderly with angina [Pamboukian] 4:799
- Anthropometric measurements
Growth of children in Lebanese refugee camps [Hammami] 2:510
- Anthropometry
Perimenopause, race, and nutrition [Maitland] 1:201
- Antibiotics
Antibiotics, URI, and Asian Pacific identity [Alden] 1:268
- Apolipoproteins E
APOE and cognition in African Americans and Caucasians [Borenstein] 1:9
- Appetite
Dietary sodium and postprandial ghrelin [Brownley] 4:844
- Arab American
Diabetes, hypertension, and Arab Americans [Dallo] 3:699
- Arterial stiffness
Differences in arterial stiffness [Hlaing] 4:837
- Asian
Cultural competence [Rust] 2:S3-29
Ethnic variation in CAM use [Arcury] 3:723
- Asian Indian(s)
Obesity and metabolic syndrome [Misra] 2:331

- Cardiovascular risk in South Asians [Ivey] 4:886
- Asian Pacific Islanders
- API ethnicity and HIV progression [Shimizu] 1:262
- Assessment
- Innovations in community feedback [Patel] 1:S1-35
 - Barriers to research participation [Kibler] 2:547
- Assimilationist racial identity
- Black racial identity and racism [Clark] 1:108
- Attitude(s)
- Antibiotics, URI, and Asian Pacific identity [Alden] 1:268
 - Hispanic interest in genetic testing [Ramirez] 2:398
 - Colorectal screening [Coronado] 2:421
 - Rockland County breast cancer screening [Goodwin] 2:428
- Attitudes and health
- Cultural competence [Rust] 2:S3-29
- Attitude to death
- Attitudes toward life-sustaining care [Bayer] 4:914
- Australian Aborigines
- Renal disease, the metabolic syndrome, and cardiovascular disease [Hoy] 2:S2-46
 - Chronic disease programs in Aboriginal Australia [Hoy] 2:S2-73
- Awareness
- Awareness of CVD risk in American Indians [Oser] 2:345
 - The Strong Heart Study [Schweigman] 3:647
- Barriers
- African American women and barriers to physical activity [Genkinger] 1:78
 - Barriers to HBP care and control [Kang] 1:145
 - Barriers to research participation [Kibler] 2:547
- Behavior
- The Strong Heart Study [Schweigman] 3:647
- Behavioral interventions
- Cardiovascular disparities intervention [Shaya] 1:138
- Behavioral problems
- Guiding parents through behavioral issues [Levine] 2:S3-21
- Behavior change
- Obesity in primary care [Adams] 2:384
- Beliefs
- Colorectal screening [Coronado] 2:421
- Biobehavioral risk
- Acculturation and poor birth outcomes in Hispanic women [Jeanne Ruiz] 4:926
- Birth weight
- Nephron number and kidney disease [Douglas-Denton] 2:S2-40
 - Ethnicity and birth weight [van den Ord] 3:706
- Black
- Ethnic variation in CAM use [Arcury] 3:723
 - Differences in arterial stiffness [Hlaing] 4:837
- Black African
- Impact of religion on organ donation in the United Kingdom [Davis] 1:281
- Black Caribbean
- Impact of religion on organ donation in the United Kingdom [Davis] 1:281
- Black men
- Stressful life events, Black men [Han] 1:64
- Black-White contrasts
- Racial contrast in hypertensive CVD risk [Berenson] 3:S4-2
- Black women
- Recruiting Black women [Newlin] 4:956
- Blood pressure
- CV monitoring for racial/ethnic minorities [Stuart-Shor] 1:375
 - Exercise, sodium, and RAS genes [Jones] 3:666
 - Androgens and blood pressure in Africans [Huisman] 3:693
 - Hypertension, diabetes, and blood groups [Nemesure] 4:822
- BP treatment
- High blood pressure therapy scale [Lambert] 1:286
- Body composition
- Youth fitness varies with ethnicity [Shaibi] 1:120
- Body fat distribution
- Body fat distribution in distinct populations [Lear] 1:96
- Body image
- Obesity in primary care [Adams] 2:384
- Body mass index
- Obesity and metabolic syndrome [Misra] 2:331
 - Obesity in Mexican Americans [Torres] 2:362
- Breast cancer
- Breast cancer risk factors [Zhu] 1:207
- Breast cancer chemoprevention
- Breast cancer chemoprevention in ethnic minorities [Cyrus-David] 1:216
- Breast self-examination
- Rockland County breast cancer screening [Goodwin] 2:428
- BRFSS
- Leading health indicators among Hispanics [Chowdhury] 2:534
- Calcium
- Calcium use among adolescent girls [Goolsby] 2:476
- Cameroon
- Health beliefs and diabetes in Cameroon [Kiawi] 2:503
- Cancer
- Tenth Annual HeLa Women's Health Conference [Pattillo] 2:S3-56
- Cancer prevention
- Culture, ethnicity and cancer education [Hoffman-Goetz] 4:971
- Cancer screening
- Disparities in colorectal cancer screening [James] 1:228
- Cancer survivors
- Minority cancer survivors [Garofalo] 3:732
- Cancer worry
- Culture and colon cancer screening [Wang] 2:404
- Cardiac output
- Black racial identity and racism [Clark] 1:108
- Cardiovascular disease(s)
- Quality improvement for prevention of CVD and stroke [Jenkins] 1:132
- Cardiovascular disparities intervention [Shaya] 1:138
- Awareness of CVD risk in American Indians [Oser] 2:345
- Renal disease, the metabolic syndrome, and cardiovascular disease [Hoy] 2:S2-46
- Chronic disease programs in Aboriginal Australia [Hoy] 2:S2-73
- African Americans and cardiovascular disease [Williams] 3:633
- Diabetes and cardiovascular disease [Cook] 4:852
- Cardiovascular risk in South Asians [Ivey] 4:886
- Cardiovascular risk
- Left ventricular hypertrophy and chronic kidney disease [Ulas] 4:859
- Cardiovascular risk factors
- Hypertension in rural Ghana [Addo] 4:894
- Caribbean
- Risk factors for coronary heart disease [Davis] 1:113
 - Perimenopause, race, and nutrition [Maitland] 1:201
- Case-control study
- Breast cancer risk factors [Zhu] 1:207
 - CHD in Black South Africans [Look] 4:872
- Case study
- Supporting wellness [Stockdale] 1:S1-43
 - Building wellness [Jones] 1:S1-54
- Central and Eastern Europe
- Renal replacement therapy after the Soviet Empire [Rutkowski] 2:S2-17
- Central fat
- Trends in abdominal fat distribution [Okosun] 2:338
- Cervical neoplasms
- Perceptions and knowledge of Pap testing [Moreland] 1:223
- Child
- Risk factors of childhood disease [Alto] 2:569
- Child health
- Tenth Annual HeLa Women's Health Conference [Pattillo] 2:S3-56
- Children
- Youth fitness varies with ethnicity [Shaibi] 1:120
 - Participatory faith-based trauma program [Kataoka] 1:S1-89
 - Growth of children in Lebanese refugee camps [Hammami] 2:510
 - Medicaid 101 [Jones] 2:S3-52
- Chinese
- Body fat distribution in distinct populations [Lear] 1:96
- Chinese American
- Colorectal cancer prevention in Chinese Americans [Choe] 1:248
- Chinese American women
- Culture and colon cancer screening [Wang] 2:404
- Cholesterol
- CV monitoring for racial/ethnic minorities [Stuart-Shor] 1:375
 - Cost-effectiveness of cholesterol education [Gans] 2:443

- Chronic disease(s)
 Review [Paradies] 1:295
 Chronic disease programs in Aboriginal Australia [Hoy] 2:S2-73
 The Strong Heart Study [Schweigman] 3:647
 Consciousness-based CVD prevention [Schneider] 3:S4-15
- Chronic kidney disease (CKD)
 HIV/AIDS and chronic kidney disease [Naicker] 2:S2-56
 Left ventricular hypertrophy and chronic kidney disease [Ulas] 4:859
 Glycemic control and renal outcomes [Crook] 4:865
- Chronic renal failure
 ESRD in India and Pakistan [Sakhuj] 2:S2-20
- Cigarette use
 Cigarette smoking African American women [Delva] 2:527
 Left ventricular hypertrophy and chronic kidney disease [Ulas] 4:859
- Clinical information systems
 Race/ethnicity and health centers [Maizlish] 2:483
- Clinical research ethics
 CBPR and clinical research ethics [Chen] 1:S1-118
- Clinical trial(s)
 Recruitment into clinical trials [Lindenstruth] 4:938
 Recruiting Black women [Newlin] 4:956
- Cognition
 APOE and cognition in African Americans and Caucasians [Borenstein] 1:9
- Collaboration
 Building an academic-community partnered research network [Wells] 1:S1-3
- Colon cancer screening
 Culture and colon cancer screening [Wang] 2:404
- Colonoscopy
 Disparities in colorectal cancer screening [James] 1:228
 Culture and colon cancer screening [Wang] 2:404
- Colorectal cancer
 Disparities in colorectal cancer screening [James] 1:228
 Colorectal cancer prevention in Chinese Americans [Choe] 1:248
 Race and colorectal cancer in Tennessee [Zhao] 2:412
 Colorectal screening [Coronado] 2:421
- Colorectal neoplasm/prevention and control
 Latinos and colorectal cancer screening [Goodman] 1:255
- Community
 Innovations in community feedback [Patel] 1:S1-35
 Hypertension in rural Ghana [Addo] 4:894
- Community-based participatory research (CBPR)
 Community-partnered, participatory media arts project [Chung] 1:S1-67
 Participatory faith-based trauma program [Kataoka] 1:S1-89
- Developing systems interventions in a school setting [Mulvaney-Day] 1:S1-107
- CBPR and clinical research ethics [Chen] 1:S1-118
 Participatory evaluation of capacity [Stockdale] 1:S1-136
- Community capacity building
 Witness for wellness [Bluthenthal] 1:S1-18
- Community health center
 Race/ethnicity and health centers [Maizlish] 2:483
- Community participation
 Research in the acupuncture community [Kuo] 1:S1-98
- Community participatory research
 Building an academic-community partnered research network [Wells] 1:S1-3
- Community partnered participatory research (CPPR)
 Supporting wellness [Stockdale] 1:S1-43
 Building wellness [Jones] 1:S1-54
- Complementary and alternative medicine
 Ethnic variation in CAM use [Arcury] 3:723
 Consciousness-based CVD prevention [Schneider] 3:S4-15
- Compliance
 Cardiovascular disparities intervention [Shaya] 1:138
 High blood pressure therapy scale [Lambert] 1:286
- Compromise
 Building wellness [Jones] 1:S1-54
- Computerized medical records systems
 Quality improvement for prevention of CVD and stroke [Jenkins] 1:132
- Confirmatory factor analysis
 Depression symptoms in Black and White girls [Hales] 1:1
 Measurement of physical self-concept in Black and White girls [Dishman] 2:551
- Continuity of patient care
 Diabetes preventive care [Kurian] 4:786
- Coping
 Stress, coping and prostate cancer [Coker] 4:978
- Coronary angiography
 Frequency of normal coronary angiogram [Onwuanyi] 2:370
 Coronary angiography underuse [Barnhart] 3:659
- Coronary artery disease
 CAD in African Americans and Hispanics [Onwuanyi] 1:58
 Frequency of normal coronary angiogram [Onwuanyi] 2:370
 Myocardial infarction, guidelines and race [Williams] 3:653
- Coronary disease(s)
 Risk factors for coronary heart disease [Davis] 1:113
 CHD in Black South Africans [Loock] 4:872
- Corticotropin-releasing hormone
 Acculturation and poor birth outcomes in Hispanic women [Jeanne Ruiz] 4:926
- Cost effective management
 Diabetes mellitus management [Motala] 2:S2-79
- Cost effectiveness
 Cost-effectiveness of cholesterol education [Gans] 2:443
- Cross-cultural communications
 Cultural competence [Rust] 2:S3-29
- Cross-cultural comparison
 Attitudes toward life-sustaining care [Bayer] 4:914
- Cultural appropriateness
 National Eye Institute qualitative research [Silver] 4:920
- Cultural competence
 Cultural competence [Rust] 2:S3-29
- Cultural diversity
 Cultural competence [Rust] 2:S3-29
- Cultural sensitivity
 Culture, ethnicity and cancer education [Hoffman-Goetz] 4:971
- Cultural views of health care
 Culture and colon cancer screening [Wang] 2:404
- Culture
 Ethnic barriers and insulin therapy [Caballero] 2:559
 Culture, ethnicity and cancer education [Hoffman-Goetz] 4:971
- CV risk factors
 Racial contrast in hypertensive CVD risk [Berenson] 3:S4-2
- Cyclophosphamide
 Survival for patients with lupus [Chan] 2:S2-66
- Decision making
 Attitudes toward life-sustaining care [Bayer] 4:914
- Delphi
 Innovations in community feedback [Patel] 1:S1-35
- Depression
 Racism and sleep [Steffen] 1:16
 Depression and smoking [Fernander] 1:41
 Witness for wellness [Bluthenthal] 1:S1-18
 Supporting wellness [Stockdale] 1:S1-43
 Building wellness [Jones] 1:S1-54
 Mental health integration [Reiss-Brennan] 1:S3-37
 Tenth Annual HeLa Women's Health Conference [Pattillo] 2:S3-56
- Depression symptoms
 Depression symptoms in Black and White girls [Hales] 1:1
- Depressive symptoms
 Prenatal exercise among Black women [Orr] 4:909
- Detection and prevention programs
 Chronic disease programs in Aboriginal Australia [Hoy] 2:S2-73
- Developing nations
 Renal care in developing nations [Aviles-Gomez] 2:S2-70
- Developing world
 Blood pressure levels in the Volta Region, Ghana [Burket] 1:292
- Developmental delay

- Guiding parents through behavioral issues [Levine] 2:S3-21
- Developmental screening
- Guiding parents through behavioral issues [Levine] 2:S3-21
- Development surveillance
- Guiding parents through behavioral issues [Levine] 2:S3-21
- Diabetes
- Use of thiazolidinediones for type 2 diabetes [Umpierrez] 1:51
- Diabetes-related hospitalizations [Cook] 1:126
- Social factors impact diabetes severity [Moayad] 2:452
- Health beliefs and diabetes in Cameroon [Kiawi] 2:503
- Chronic disease programs in Aboriginal Australia [Hoy] 2:S2-73
- Gastric emptying in ethnic populations [Phillips] 3:682
- Diabetes, hypertension, and Arab Americans [Dallo] 3:699
- Diabetes preventive care [Kurian] 4:786
- Hypertension, diabetes, and blood groups [Nemesure] 4:822
- Diabetes and cardiovascular disease [Cook] 4:852
- Diabetes and hospitalizations [Cook] 4:880
- Diabetes mellitus
- Premature heart disease deaths and diabetes [Krapfl] 1:85
- Hospitalizations and urban diabetes patients [Cook] 2:391
- Renal disease, the metabolic syndrome, and cardiovascular disease [Hoy] 2:S2-46
- Glycemic control and renal outcomes [Crook] 4:865
- Diabetic eye disease
- National Eye Institute qualitative research [Silver] 4:920
- Diabetic nephropathy
- Kidney disease in Oceania [Weil] 2:S2-24
- Renal disease: environment, race, or genes [Adler] 2:S2-35
- Glycemic control and renal outcomes [Crook] 4:865
- Diabetic retinopathy
- Glycemic control and renal outcomes [Crook] 4:865
- Dialysis
- ESRD in India and Pakistan [Sakhuja] 2:S2-20
- Renal care in developing nations [Aviles-Gomez] 2:S2-70
- Dietary intake
- Calcium use among adolescent girls [Goolsby] 2:476
- Dietary intake for African American women [Crump] 4:963
- Digital rectal exam
- Research and practice [Webb] 1:234
- Disease prevention
- Consciousness-based CVD prevention [Schneider] 3:S4-15
- Discrimination
- Racism and sleep [Steffen] 1:16
- Disparities
- Diabetes-related hospitalizations [Cook] 1:126

VOLUME 16: TABLE OF CONTENTS
VOLUME 16, NUMBER 1

Focus: Mental Health
Original Reports: Mental Health
Factorial validity and invariance of the
Center for Epidemiologic Studies
Depression (CES-D) Scale in a sam-

- ple of Black and White adolescent girls. Hales DP, Dishman RK, Modl RW, Addy CL, Pfeiffer KA, Pate RR [1]
- Apolipoprotein E and cognition in community-based samples of African Americans and Caucasians.** Borenstein AR, Mortimer JA, Wu Y, Jureidini-Webb FM, Fallin MD, Small BJ, Mullan M, Crawford FC [9]
- Sleep disturbance mediates the relationship between perceived racism and depressive symptoms.** Steffen PR, Bowden M [16]
- Anxiety in persons 75 and older: findings from a tri-ethnic population.** Ostir GV, Goodwin JS [22]
- Racial and ethnic disparities in medical history taking: detecting substance use among low-income pregnant women.** Kerker BD, Leventhal JM, Schlesinger M, Horwitz SM [28]
- Beliefs and attitudes regarding smoking cessation among American Indians: a pilot study.** Choi WS, Daley CM, James A, Thomas J, Schupbach R, Seagraves M, Barnoskie R, Ahluwalia JS [35]
- Gender differences in depression and smoking among youth in Cape Town, South Africa.** Fernandez AF, Flisher AJ, King G, Noubary F, Lombard C, Price M, Chalton D [41]
- Original Reports: Cardiovascular Disease and Risk Factors**
- Role of thiazolidinediones in the management of type 2 diabetes: focus on ethnic minority populations.** Umpierrez G, Dagogo-Jack S [51]
- Comparative frequency of angiographic coronary artery disease in African Americans and Hispanics.** Onwuanji AE, Abe O, Quarshie A, Al-Mahmoud A, Lapu-Bula R, Francis CK, Ofili E [58]
- Effects of stressful life events in young Black men with high blood pressure.** Han H-R, Kim MT, Rose L, Dennison C, Bone L, Hill MN [64]
- Self-reported hypertension and race among Hispanics in the National Health Interview Survey.** Borrell LN [71]
- Does weight status influence perceptions of physical activity barriers among African American women?** Genkinger JM, Jehn ML, Sapun M, Mabry I, Young DR [78]
- Racial and ethnic differences in premature heart disease deaths in New Mexico: what is the role of diabetes?** Krapfl HR, Gohdes DM, Croft JB [85]
- Fruit and vegetable consumption of older Mexican American women is associated with their acculturation level.** Gregory Mercado KY, Staten LK, Ranger-Moore J, Thomson CA, Will JC, Ford ES, Guillen J, Larkey LK, Gioliano AR, Marshall J [89]
- Study design of the Multicultural Community Health Assessment Trial (M-CHAT): a comparison of body fat distribution in four distinct populations.** Lear SA, Birmingham CL, Chockalingam A, Humphries KH [96]
- Social correlates of the chronic stress of perceived racism among Black women.** Vines AI, Baird DD, McNeilly M, Hertz-Picciotto I, Light KC, Stevens J [101]
- Black racial identity as a mediator of cardiovascular reactivity to racism in African American college students.** Clark VR, Cobb REB, Hopkins R, Smith CE [108]
- Behavioral risk profiles for coronary heart disease among apparently healthy individuals of African ancestry.** Davis EE, Huffman FG [114]
- Aerobic fitness among Caucasian, African American, and Latino youth.** Shaibi GQ, Ball GDC, Goran MI [120]
- Disparities in diabetes-related hospitalizations: relationship of age, sex, and race/ethnicity with hospital discharges, lengths of stay, and direct inpatient charges.** Cook CB, Naylor DB, Hentz JG, Miller WJ, Tsui C, Ziemer DC, Waller LA [126]
- Original Reports: Chronic Disease Management and Prevention**
- Addressing cardiovascular disparities through community interventions.** Shaya FT, Gu A, Saunders E [138]
- Barriers to care and control of high blood pressure in Korean American elderly.** Kang JH, Han H-R, Kim KB, Kim MT [145]
- Effect of race category redefinition on hypertension and hypercholesterolemia prevalence in the Behavioral Risk Surveillance System, 1999 and 2001.** Ochner M, Ayala C, Jiles R [152]
- Racial analyses of longer-stay nursing home residents with multiple sclerosis.** Buchanan RJ, Martin RA, Wang S, Kim M [159]
- Original Reports: Maternal and Child Health**
- Intergenerational birth weights among the direct female descendants of US-born and Mexican-born Mexican American women in Illinois: an exploratory study.** Collins JW Jr, David RJ, Mendivil NA, Wu S-Y [166]
- Relations of Black mother' and daughters' body fatness, physical activity beliefs and behavior.** Nichols-English GJ, Lemmon CR, Litkaker MS, Cartee SG, Yin Z, Gutin B, Barbeau P [172]
- Advancing maternal age and infant birth weight among urban African Americans: the effect of neighborhood poverty.** Collins JW Jr, Simon DM, Jackson TA, Drolet A [180]
- The relationship between maternal child-feeding practices and overweight in Hmong preschool children.** Kasemsup R, Reicks M [187]
- Predictors of early postpartum vitamin use among women of Mexican origin: implications for health-care provider recommendations.** O'Rourke KM, Roddy ME, Williams D, Mena K [194]
- Associations of nationality and race with nutritional status during perimenopause: implications for public health practice.** Maitland TE, Gomez-Marin O, Weddle DO, Fleming LE [201]
- Original Reports: Cancer**
- Potential differences in breast cancer risk factors based on CYP1A1 MspI and African American specific genotypes.** Zhu K, Hunter S, Payne-Wilks K, Sutcliffe C, Bentley C, Roland CL, Williams SM [207]
- The future of women of minority race/ethnicity in breast cancer chemoprevention therapy.** Cyrus-David MS [216]
- Papanicolaou testing among native American and Hispanic populations.** Moreland S, Engelman K, Greiner A, Mayo MS [223]
- Disparities in colorectal cancer screening: a guideline-based analysis of adherence.** James TM, Greiner KA, Ellerbeck EF, Feng C, Ahluwalia JS [228]
- An evaluation of the knowledge, attitudes, and beliefs of African American men and their female significant others regarding prostate cancer screening.** Webb CR, Kronheim L, Williams JE Jr, Hartman TJ [234]
- Adolescent nicotine metabolism: ethnoracial differences among dependent smokers.** Moolchan ET, Franken FH, Jaszyna-Gasior M [239]
- Age, race, and repeated Prostate-Specific Antigen (PSA) Test use in the National Health Interview Survey.** Ross LE, Uhler RJ [244]
- "Heat in their intestine": colorectal cancer prevention beliefs among older Chinese Americans.** Choe LE, Tu S-P, Lim JM, Burke NJ, Acorda E, Taylor VM [248]
- Barriers and facilitators of colorectal cancer screening among Mid-Atlantic Latinos: focus group findings.** Goodman MJ, Ogdie A, Kanamori MJ, Canar J, O'Malley AS [255]
- Original Reports: Infectious Disease**
- Ethnic differences in HIV disease progression: a comparison of Asian/Pacific Islanders and Whites living in Hawaii.** Shimizu SM, Chow DC, Katz AR, Richmond-Crum S, Miller FD [262]

Antibiotics and upper respiratory infections: the impact of Asian and Pacific Islander ethnicity on knowledge, perceived need, and use. Alden DL, Tice A, Berthiaume JT	[268]	Witness for Wellness: preliminary findings from a community-academic participatory research mental health initiative. Bluthenthal RN, Jones L, Fackler-Lowrie N, Ellison M, Booker T, Jones F, McDaniel S, Moini M, Williams KR, Klap R, Koegel P, Wells KB	[S1-18]	evaluation. Stockdale SE, Mendel P, Jones L, Arroyo W, Gilmore J	[S1-136]
Original Reports: Community-Based Research		Innovative approaches to obtaining community feedback in the Witness for Wellness experience. Patel KK, Koegel P, Booker T, Jones L, Wells K	[S1-35]	<i>Commentaries</i>	
Fruit and vegetables access differs by community racial composition and socioeconomic position in Detroit, Michigan. Zenk SN, Schulz AJ, Israel BA, James SA, Bao S, Wilson ML	[275]	Supporting wellness through policy and advocacy: a case history of a working group in a community partnership initiative to address depression. Stockdale S, Patel K, Gray R, Hill DA, Franklin C, Madyun N	[S1-43]	Commentary: challenges for the field in overcoming disparities through a CBPR approach. Wallerstein N	[S1-146]
The influence of religion on organ donation and transplantation among the Black Caribbean and Black African population – a pilot study in the United Kingdom. Davis C, Randhawa G	[281]	The Building Wellness Project: a case history of partnership, power sharing, and compromise. Jones D, Franklin C, Butler BT, Williams P, Wells KB, Rodriguez MA	[S1-54]	Commentary: building partnerships between schools and academic partners to achieve a health-related research agenda. Wong M	[S1-149]
Cross-cultural validation of the Hill-Bone Compliance to High Blood Pressure Therapy Scale in a South African, primary healthcare setting. Lambert EV, Steyn K, Stender S, Everage N, Fourie JM, Hill M	[286]	Talking wellness: a description of a community-academic partnered project to engage an African American community around depression through the use of poetry, film, and photography. Chung B, Corbett CE, Boulet B, Cummings JR, Paxton K, McDaniel S, Mercier SO, Franklin C, Mercier E, Jones L, Collins BE, Koegel P, Duan N, Wells KB, Glik D	[S1-67]	Commentary: community-academic partnership for research to improve health in communities: a foundation officer's perspective. Pechura CM	[S1-154]
Blood pressure survey in two communities in the Volta Region, Ghana, West Africa. Burkett BA	[292]	Seeking community input to improve implementation of a lifestyle modification program. Punzalan C, Paxton KC, Guentzel H, Bluthenthal RN, Staunton AD, Mejia G, Morales L, Miranda J	[S1-79]	Commentary: community partnered research: driving sensemaking, managing knowledge, and moving mental health care to new heights. Gonzales JJ, Moten C	[S1-156]
Review		A community participatory research partnership: the development of a faith-based intervention for children exposed to violence. Kataoka SH, Fuentes S, O'Donoghue VP, Castillo-Campos P, Bonilla A, Halsey K, Avila JL, Wells KB	[S1-89]		
A review of psychosocial stress and chronic disease for 4th world indigenous peoples and African Americans. Paradies Y	[295]	Community-research collaboration between researchers and acupuncturists: integrating a participatory research approach in a statewide survey of licensed acupuncturists in California. Kuo T, Christensen R, Gelberg L, Rubenstein L, Burke A	[S1-98]	VOLUME 16, NUMBER 2	
Corrections		Developing systems interventions in a school setting: an application of community-based participatory research for mental health. Mulvaney-Day NE, Rappaport N, Alegria M, Codianne LM	[S1-107]	Original Reports: Cardiovascular Disease and Related Risk Factors	
<i>Ethn Dis.</i> 2005;15:429–435	[309]	Ethics of clinical research within a community-academic partnered participatory framework. Chen DT, Jones L, Gelberg L	[S1-118]	Measures of obesity and Metabolic Syndrome in Indian Americans in northern California. Misra KB, Endemann SW, Ayer M	[331]
<i>Ethn Dis.</i> 2005;15(Suppl 1):S1-62–S1-64	[309]	Assessing organizational readiness and change in community intervention research: framework for participatory		Trends in abdominal obesity in young people: United States 1988–2002. Okosun IS, Boltri JM, Eriksen MP, Hepburn VA	[338]
<i>Ethn Dis.</i> 2005;15(4):568–577	[309]			Awareness of cardiovascular disease risk in American Indians. Oser CS, Blades LL, Strasheim C, Helgeson SD, Gohdes D, Harwell TS	[345]
<i>Ethn Dis.</i> 2005;15(Suppl 4):S4-32–S4-34	[309]			The epidemiology of diabetes and its risk factors among Chaldean Americans. Al-Oballi Kridli S, Herman WH, Brown MB, Fakhouri H, Jaber LA	[351]
<i>Ethn Dis.</i> 2005;15(Suppl 4):S4-5–S4-6	[310]			Ethnic differences for developing rheumatic fever in a low-income group living in Hawaii. Kurahara DK, Grandinetti A, Galario J, Reddy DV, Tokuda A, Langan S, Tanabe B, Yamamoto KS, Yamaga KM	[357]
Departments				Prevalence of obesity and associated comorbid conditions in a population-based sample of primarily urban Mexican Americans. Torres M, Azen S, Varma R, and the LALES group	[362]
Clinical Research: Focus on Mental Health	[311]			Disparity frequency of normal coronary artery in Black and White patients undergoing cardiac catheterization. Onwuanyi AE, Abe O, McMahon DJ, Weil HFC, Philbin EF, Francis CK, Marx H, Reed RG	[370]
Grants and Funding Opportunities: Focus on Mental Health	[313]			The prevalence of blood pressure and cholesterol monitoring in Boston among non-Hispanic Blacks, Hispanics, and non-Hispanic Whites. Stuart-Shor EM, Nannini A, Ostrem M, Russell GE, Mittlemen MA	[375]
Updates from Health Agencies Worldwide	[316]			Obesity in primary care in Barbados: prevalence and perceptions. Adams OP, Lynch-Priscod JT, Carter AO	[384]
Health Legislative Issues: Focus on Mental Health	[319]				
For the Patient	[321]				
<i>Ethnicity & Disease</i> Manuscript Submittal and Information	[331]				
Volume 15 Reviewers					
VOLUME 16, NUMBER 1, SUPPLEMENT 1					
Foreward. Norris K	[S1-1]				
Original Reports					
Building an academic–community partnered network for clinical services research: The Community Health Improvement Collaborative (CHIC). Wells KB, Staunton A, Norris KC, Bluthenthal R, Chung B, Gelberg L, Jones L, Kataoka S, Koegel P, Miranda J, Mangione CM, Patel K, Rodriguez M, Shapiro M, Wong M	[S1-3]				

Common reasons for hospitalization in urban diabetes patients. Cook CB, Tsui C, Ziemer DC, Naylor DB, Miller WJ, Henta JG [391]	AIDS-related knowledge, attitude, and behavior among adolescents in Zambia. Mukuka L, Slonim-Nevo V [488]	For the Patient [587]
Original Reports: Cancer	Black-White residential segregation and physical activity. Lopez R [495]	<i>Ethnicity & Disease</i> Manuscript Submittal and Information
Interest, awareness, and perceptions of genetic testing among Hispanic family members of breast cancer survivors. Ramirez AG, Aparicio-Ting FE, San Miguel de Majors S, Miller A [398]	Knowledge, attitudes, and behavior relating to diabetes and its main risk factors among urban residents in Cameroon: a qualitative survey. Kiawi E, Edwards R, Shu J, Unwin N, Kamadjeu R, Mbanya JC [503]	VOLUME 16, NUMBER 2, SUPPLEMENT 2
The influence of culture and cancer worry on colon cancer screening among older Chinese American women. Wang JH, Liang W, Chen M, Cullen J, Feng S, Yi B, Schwartz MD, Mandelblatt JS [404]	Anthropometric status in Palestinian children living in refugee camps in Lebanon. Hammami M, Hammad A, Koo WWK [510]	Supplement 2: Renal disease in minority populations and developing nations Foreward. Agodoa L, Norris KC, Shahinfar S, Prabhaker KS, Pugsley D [S2-1]
Racial disparities and trends in use of colorectal procedures among Tennessee elderly (1996-2000). Zhao BB, Kilbourne B, Stain SC, Cain VA, Briggs NC, Husaini BA, Levine R [412]	Risk behaviors by ethnicity and Texas-Mexico border residence. Sanderson M, Fernandez ME, Dutton RJ, Ponder A, Sosa D, Peltz G [514]	Original Reports: Epidemiology
Attitudes and beliefs about colorectal cancer among Mexican Americans in communities along the US-Mexico border. Coronado GD, Farias Z, Thompson B, Godinas R, Oderkirk W [421]	Emerging non-communicable disease epidemic in Africa: preventive measures from the WHO regional office for Africa. Mufunda J, Chatora R, Ndambakuwa Y, Nyarango P, Kosia A, Chifamba J, Filipe A, Usman A, Sparks VH [521]	Incidence, prevalence, and treatment of end-stage renal disease in the Middle East. Abboud O [S2-2]
Breast cancer screening in Rockland County, New York: a survey of attitudes and behaviors. Goodwin SS, Visintainer PF, Facelle J, Galvo CE [428]	Correlates of cigarette smoking among low-income African American women. Delva J, Tellez M, Finlayson TL, Gretebeck KA, Siefert K, Williams DR, Ismail AI [527]	End-stage renal disease in Sub-Saharan Africa. Bamgboye EL [S2-5]
Original Reports: Public Health	Leading health indicators: a comparison of Hispanics and non-Hispanic Whites and non-Hispanic Blacks, United States 2003. Chowdhury PP, Balluz L, Okoro C, Strine T [534]	The Latin American Dialysis and Transplantation Registry (RLDT) Annual Report 2004. Cusumano A, Garcia-Garcia G, Di Gioia C, Hermita O, Lavorato C, on behalf of the Latin American Registry of Dialysis and Transplantation [S2-10]
Understanding suicide attempts among American Indian adolescents in New Mexico: modifiable factors related to risk and resiliency. Chino M, Fullerton-Gleason L [435]	Prevalence of non-communicable disease risk factors in Eritea. Usman A, Mebrahtu G, Mufunda J, Nyarango P, Hagos G, Kosia A, Ghebert Y, Mosazghi A, Atanga SJ, Equbami-chael MM [542]	Incidence, prevalence, and treatment and cost of end-stage renal disease in Indonesia. Prodjosudjadi W [S2-14]
Cost-effectiveness of minimal contact education strategies for cholesterol change. Gans KM, Burkholder GJ Jr, Risica PM, Harrow B, Lasater TM [443]	Original Reports: Research Design	Explosion of renal replacement therapy after the implosion of the Soviet Empire. Rutkowski B, Ritz E [S2-17]
Do acculturation and family cohesiveness influence severity of diabetes among Mexican Americans? Moayad N, Balcazar H, Pedregon V, Velasco L, Bayona M [452]	Evaluation of a brief questionnaire for assessing barriers to research participation. Kibler JL, Brisco K [547]	End-stage renal disease in India and Pakistan: incidence, causes, and management. Sakhuja V, Kohli HS [S2-20]
Ethnic and gender differences in lifestyle risk factors in a bi-ethnic primary care sample: prevalence and clinical implications. Seale JP, Davis-Smith M, Okosun I [460]	Factorial validity and invariance of the physical self-description questionnaire among Black and White adolescent girls. Dishman RK, Hales DP, Almeida MJ, Pfeiffer KA, Dowda M, Pate RR [551]	Kidney disease among the indigenous peoples of Oceania. Weil EJ, Nelson RG [S2-24]
Knowledge and perceived risk of tuberculosis: US racial and regional differences. Kirtland KA, Lopez-De Fede A, Harris M [468]	Reviews	Current status of hemodialysis treatment in Beijing, China. Zuo L, Wang M, for the Beijing Hemodialysis Quality Control and Improvement Center [S2-31]
Consumption of calcium among African American adolescent girls. Goolsby SLP, Casey PH, Stuff JE, Zaghoul S, Weber J, Gossett J, Simpson P, Bogle ML [476]	Building cultural bridges: understanding ethnicity to improve acceptance to insulin therapy in patients with type 2 diabetes. Caballero AE [559]	Original Reports: Pathophysiology
Race/ethnicity in medical charts and administrative databases of patients served by community health centers. Maizlash N, Herrera L [483]	Obesity research and the forgotten African American child. Alio AP, Salihu HM, Berrings TJ, Gramling MD, Burton JA, Gayles TA, Jackson TR [569]	Renal disease: environment, race, or genes? Adler S [S2-35]
	Departments	Does nephron number matter in the development of kidney disease? Douglas-Denton RN, McNamara BJ, Hoy WE, Hughes MD, Bertram JF [S2-40]
	Clinical Research [576]	Renal disease, the Metabolic Syndrome, and cardiovascular disease. Hoy WE, Kondalsamy-Chennakesavan S, McDonald S, Wang Z [S2-46]
	Grants and Funding Opportunities [579]	Glomerulonephritis in the tropics: who are the culprits? Mathieson PW [S2-52]
	Updates from US Health Agencies [582]	HIV/AIDS—dominant player in chronic kidney disease. Naicker S, Han TM, Fabian J [S2-56]
	Health Legislative Issues [585]	Original Reports: Prevention and Treatment
		The Republic of Georgia High Blood Pressure Control Program. Barbakadze VY, Koblianidze LG, Kipshidze NN, Grim CE, Grim CM, Tavill F [S2-61]

Determinants of patient survival in systemic lupus erythematosus—focusing on lupus nephritis. Chan TM [S2-66]

Is renal replacement therapy for all possible in developing countries? Aviles-Gomez R, Luquin-Arellano VH, Garcia-Garcia G, Ibarra-Hernandez M, Briseno-Renteria G [S2-70]

Setting up chronic disease programs: perspectives from Aboriginal Australia. Hoy WE, Kondalsamy-Chennakesavan S, Smith J, Sharma S, Davey R, Gokel G [S2-73]

Cost-effective management of diabetes mellitus. Motala AA, Pirie FJ, Rauff S, Bacus HB [S2-79]

Ethnicity & Disease Manuscript Submittal Information

VOLUME 16, NUMBER 2, SUPPLEMENT 3

Fifth Annual Primary Care and Prevention Conference (PCPC5). Rust G
Original Reports: PCPC5

Universal health care: a regional perspective—why not a “Georgia SecureCare”? Kahn HS [S3-4]

Achieving health equity in America. Satcher D, Rust G [S3-8]

Multicultural medicine and ensuring good health for all. Pamies RJ, Nsiah-Kumi PA [S3-14]

Guiding parents through behavioral issues affecting their child’s health: the primary care provider’s role. Levine DA [S3-21]

A CRASH-course in cultural competence. Rust G, Kondwani K, Martinez R, Dansie R, Wong W, Fry-Johnson Y, Del Milagro Woody R, Daniels EJ, Herbert-Carter J, Aponte L, Strothers H [S3-29]

Mental health integration: rethinking practitioner roles in the treatment of depression: the specialist, primary care physicians, and the practice nurse. Reiss-Brennan B, Briot P, Cannon W, James B [S3-37]

Commentaries: PCPC5

Accessing, streamlining, and delivering health care for all. [S3-44]

Primary care leadership in the public policy arena. [S3-47]

Improving health care in the 21st century: focus on Medicaid. [S3-49]

Medicaid 101: history, challenges, and opportunities. [S3-52]

Georgia responds: a Medicaid transformation plan. [S3-54]

Tenth Annual HeLa Women’s Health Conference: An Overview and Historical Perspective (HeLa10). Patillo RA, Matthews R
Original Reports: HeLa10

Prematurity—infant mortality: the scourge remains. Ashton D [S3-58]

Disparities in cervical cancer screening, treatment, and outcomes. Hicks ML, Yap OWS, Matthews R, Parham G [S3-63]

Investigating and linking social conditions of minority children and adolescents with emotional well-being. Spencer MB, Fegley S, Dupree D [S3-67]

Racial and ethnic disparities in infant and maternal mortality. Anachebe NF [S3-71]

Commentaries: HeLa10

Strengthening the foundation to eliminate health disparities for today’s and tomorrow’s adults. [S3-77]

Ethnicity & Disease Manuscript Submittal Information [S3-80]

VOLUME 16, NUMBER 3

Letter to the Editor

Health careers for racial/ethnic minorities: planting the seeds early in the pipeline. Duncan DT [623]

Original Reports on Focus Area: Health and Cultural Proficiency – Interweaving Factors

Ethnic identity and type 2 diabetes health attitudes in Americans of African Ancestry. Brezo J, Royal C, Ampy F, Headings V [624]

High risk African Americans with multiple risk factors for cardiovascular disease: challenges in prevention, diagnosis, and treatment. Williams RA, Gavin JR III, Phillips RA, Sumner AE, Duncan AK, Hollar D, Hennekens CH [633]

Predictors of healthcare utilization among older Mexican Americans. Snih SA, Markides KS, Ray LA, Freeman JL, Ostir GV, Goodwin JS [640]

Cardiovascular disease risk factor awareness in American Indian communities: The Strong Heart Study. Schweigman K, Eichner J, Welty TK, Zhang Y [647]

Original Reports: Cardiovascular Disease and Related Risk Factors

The impact of an acute myocardial infarction guideline and pathway on racial outcomes at a University hospital. Williams ML, Hill G, Jackson M [653]

Is coronary angiography underused in an inner-city population? Barnhart J, Bernstein SJ [659]

Renin-angiotensin system genes and exercise training-induced changes in sodium excretion in African American hypertensives. Jones JM, Park J-J, Johnson J, Vizcaino D, Hand B, Ferrell R, Weir M, Dowling T, Obisesan T, Brown M [666]

Walking, body composition, and blood pressure dose-response in African American and White women. Brandon LJ, Elliot-Lloyd MB [675]

Gastric emptying in ethnic populations: possible relationship to development of diabetes and Metabolic Syndrome. Phillips WT [682]

The influence of testosterone on blood pressure and risk factors for cardiovascular disease in a Black South African population. Huisman HW, Schutte AE, van Rooyen JM, Malan NT, Malan L, Schutte R, Kruger A [693]

Self-reported diabetes and hypertension among Arab Americans in the United States. Dallo FJ, Borrell LN [699]

Original Reports: Public Health

Ethnic differences in birth weight: maternal effects emerge from an analysis involving mixed-race US couples. van den Oord EJCG [706]

Care patterns for affective psychosis across diverse ethnicities: exploring potential contributors to complications and emergency room utilization. Washington EL, Shen JJ, Kocher J, Moseley CB [712]

Prevalence of noncommunicable diseases in Zimbabwe: results from analysis of data from the National Central Registry and Urban Survey. Mufunda J, Chatora R, Ndambakuwa Y, Nyarango P, Chifamba J, Kosia A, Sparks HV [718]

Complementary and alternative medicine use among older adults: ethnic variation. Arcury TA, Suerkin CK, Grzywacz JG, Bell RA, Lang W, Quandt SA [723]

Original Reports: Cancer

Stress and quality of life in African American cancer survivors. Garofalo JP, Hamann HA, Ashworth K, Baum A [732]

Reasons for wanting to quit: ethnic differences among cessation seeking adolescent smokers. Luther EJ, Bagot KS, Franken FH, Moochan ET [739]

VOLUME 16, NUMBER 3, SUPPLEMENT 4

Supplement 4: Selected Proceedings from ISHIB 2005 Annual Scientific Meeting
Introduction

- Racial (Black-White) contrasts of risk for hypertensive disease in youth have implications for preventive care: the Bogalusa Heart Study. Berenson G, Srinivasan S, Chen W, Li S [S4-1]
- Role of potassium excretion and percent body fat on ethnic differences in plasma aldosterone levels. Jones J, Park J-J, Dowling T, Phares D, Park J-Y, Brown M [S4-10]
- Cardiovascular disease prevention and health promotion with the transcendental meditation program and Maharishi conscious-based health care. Schneider RH, Walton KG, Salerno JW, Nidich SI [S4-15]
- Exercise for the inactive hypertensive patient. Topp R, Frost KL [S4-27]
- Abstract Poster Presentations from ISHIB2005 [S4-35]
- VOLUME 16, NUMBER 4
- Letter to the Editor
- Hypertension in Sub-Saharan African populations: the burden of hypertension in Nigeria. Ogah OS [765]
- Original Reports on Focus Area: Quality of Care: The Ecology of the Healthcare System
- Perceived discrimination in health care among American Indians/Alaska natives. Johansson P, Jacobsen C, Buchwald D [766]
- Measuring the quality of diabetes care in urban and rural Indian health programs. Moore K, Roubideaux Y, Noonan C, Goldberg J, Shields R, Acton K [772]
- Perceptions of cultural competency among elderly African Americans. Johnson JC, Slusar MB, Chaatre S, Johnsen P [778]
- Racial and ethnic differences in the effects of regular providers and self-management education on diabetes preventive care. Kurian AK, Borders TF [786]
- Perception of racism explains the difference between Blacks' and Whites' level of healthcare trust. Adegbenbo AO, Tomar SL, Logan HL [792]
- Disparities by insurance status in quality of care for elderly patients with unstable angina. Pamboukian SV, Funkhouser E, Child IG, Allison JJ, Weissman NW, Kiefe CI [799]
- Factors associated with adherence to recommendations for screening mammography among American Indian women in Colorado. Wampler NS, Saba L, Rahman SMM, Dignan M, Voeks JH, Strzelczyk J [808]
- Original Reports: Cardiovascular Disease and Related Risk Factors
- Geographic and racial/ethnic differences in *HFE* mutation frequencies in the Hemochromatosis and Iron Overload Screening (HEIRS) Study. Acton RT, Barton JC, Snively BM, McLaren CE, Adams PC, Harris EL, Speechley MR, McLaren GD, Dawkins FW, Leiden-decker-Foster C, Holup JL, Balasubramanyam A, for the Hemochromatosis and Iron Overload Screening Study Research Investigators [815]
- Hypertension, type 2 diabetes, and blood groups in a population of African ancestry. Nemesure B, Wu S-Y, Hennis A, Leske MC, for the Barbados Eye Study Group [822]
- Metabolic syndrome in nondiabetic, obese, first-degree relatives of African American patients with type 2 diabetes: African American triglycerides-HDL-C and insulin resistance paradox. Boudoulas Meis S, Schuster D, Gaillard T, Osei K [830]
- Differences in arterial stiffness and its correlates in tri-ethnic young men and women. Hlaing WM, Koutoubi S, Huffman FG [837]
- Dietary sodium restriction alters postprandial ghrelin: implications for race differences in obesity. Brownley KA, Light KC, Grewen KM, Hinderliter AL, West SG [844]
- Potentially modifiable metabolic factors and the risk of cardiovascular disease hospitalizations in urban African Americans with diabetes. Cook CB, Hentz JG, Tsui C, Ziemer DC, Naylor DB, Miller WJ [852]
- Left ventricular hypertrophy in African Black patients with chronic renal failure at first evaluation. Ulasi II, Arodiwe EB, Ijoma CK [859]
- Glycemic control predicts diabetic extrarenal microvascular complications but not renal survival in patients with moderate to severe chronic kidney disease. Crook ED, Patel S [865]
- Coronary heart disease and risk factors in Black South Africans: a case-control study. Look M, Steyn K, Becker P, Fourie J [872]
- Poor glycemic control increases risk of hospitalization in urban African Americans with diabetes. Cook CB, Hentz JG, Tsui C, Ziemer DC, Naylor DB, Miller WJ [880]
- Prevalence and correlates of cardiovascular risk factors in South Asians: population-based data from two California surveys. Ivey SL, Mehta KM, Wassel Fyr CL, Kanaya AM [886]
- The changing patterns of hypertension in Ghana: a study of four rural communities in the Ga district. Addo J, Amoah AGB, Koram KA [894]
- Original Reports: Public Health
- Racial/ethnic neighborhood concentration and self-reported health in New York City. White K, Borrell LN [900]
- Exercise participation before and during pregnancy among low-income, urban, Black women: The Baltimore Preterm Birth Study. Orr ST, James SA, Garry J, Newton E [909]
- Attitudes toward life-sustaining interventions among ambulatory Black and White patients. Bayer W, Mallingier JB, Krishnan A, Shields CG [914]
- The National Eye Health Education Program: increasing awareness of diabetic eye disease among American Indians and Alaska Indians. Silver K, Williams M, Macario E [920]
- The relationships among acculturation, biobehavioral risk, stress, corticotropin-releasing hormone, and poor birth outcomes in Hispanic women. Ruiz RJ, Dolbier CL, Fleschler R [926]
- Exercise and pregnancy outcome among urban, low-income, Black women. Orr ST, James SA, Garry J, Prince CB, Newton ER [933]
- Original Reports: Research Design
- Recruitment of African American and White postmenopausal women into clinical trials: the beneficial effects of soy trial experience. Lindenstruth KA, Curtis CB, Allen JK [938]
- Validation of physical activity instruments: Black Women's Health Study. Carter-Nolan PL, Adams-Campbell LL, Makambi K, Lewis S, Palmer JR, Rosenberg L [943]
- Psychometric characteristics of a patient satisfaction instrument tailored to the concerns of African Americans. Fongwa MN, Hays RD, Gutierrez PR, Stewart AL [948]
- Recruitment of Black women with type 2 diabetes into a self-management intervention trial. Newlin K, Melkus GD, Jefferson V, Langerman S, Womack J, Chyun D [956]
- Original Reports: Cancer
- Dietary intake to reduce cancer risk among African American women in public housing: do sociodemographic factors make a difference? Crump SR, Taylor BD, Sung JFC, Burley L, Sheats J, Murphy FG, Caplan L [963]
- A systematic review of culturally sensitive cancer prevention resources for ethnic minorities. Hoffman-Goetz L, Friedman DB [971]
- Stress, coping, social support, and prostate cancer risk among older African American and Caucasian men. Coker AL, Sanderson M, Ellison GL, Fadden MK [978]
- Radical prostatectomy and quality of life among African Americans. Ukoli FA, Lynch BS, Adams-Campbell LL [988]

Breast and cervical cancer screening for Puerto Ricans, African Americans, and non-Hispanic Whites attending inner-city family practice centers. Finney MF, Tumiel-Berhalter LM, Fox C, Jaen CR	[994]
