

# Index to Volume 17

## SUBJECT INDEX

- Acculturation  
  Latino adolescent risk behaviors [Livaudais] 2:298  
  Acculturation, BMI, depression, IL-1RA [Ruiz] 2:338  
  Acculturation and weight [Ahluwalia] 4:643
- Acute  
  School-based stroke awareness intervention [Gonzales] 2:320
- Adipocytes  
  Calcium intake and adiposity in women [Kruger] 1:6
- Admissions  
  Diabetic ketoacidosis in African Americans [Seyoum] 2:234
- Adolescent  
  Metabolic syndrome in childhood [Rappaport] 3:S4-1
- Africa  
  Stroke risk in the Middle East and Africa [Badr] 2:274  
  International perspective on health disparities [Danso] 2:S2-50
- African  
  Uric acid levels in South African women [Palmer] 4:676
- African American Men  
  Perceptions of prostate cancer screening [Sanchez] 2:374
- African Americans  
  Racial influence associated with weight [Malpede] 1:1  
  Ascribing meaning to hypertension [Boutin-Foster] 1:29  
  Stress reduction and congestive heart failure [Jayadevappa] 1:72  
  Tobacco beliefs in African Americans [Halbert] 1:92  
  Depression and rural African Americans [Kogan] 1:106  
  Ethnic disparities in SMBG [Kirk] 1:135  
  CV management of high-risk African-Americans [Williams] 2:214  
  Delay in seeking medical help [Banks] 2:221  
  Soul and Caribbean foods among Adventists [Akbar] 2:244  
  Identifying determinants of disparities [Levine] 2:280  
  Older African Americans and pharmacists [Youmans] 2:284  
  Health literacy and perceived health [Guerra] 2:305  
  Body image disparity and weight [Ard] 2:S2-34  
  Community-based programs for CV risk [Low] 2:S2-55  
  Quality of life and diabetes [Quandt] 3:471  
  Blood pressure and exercise [Sohn] 3:503  
  African American recruitment and retention [Anderson] 3:555  
  A dash of soul [Rankins] 3:S4-7
- Self management in African Americans [Rucker-Whitaker] 4:611
- Body image in African Americans [Gilliard] 4:617
- Hypertension control and continuity of care [Fisher] 4:693
- Preeclampsia in Florida [Mulla] 4:736
- African American Women  
  Blood pressure and exercise [Reed] 1:59  
  Managing uncertainty in diabetes [Amoako] 3:515  
  Post-exercise blood pressure in African Americans [Enweze] 4:665
- Alaska Natives  
  Disparities in disabled older adults [Okoro] 4:686
- Alcohol  
  Latino adolescent risk behaviors [Livaudais] 2:298
- Alcohol Use  
  Lifestyle risk factors for chronic disease [Maskarinec] 4:597
- American Indians  
  Ethnic disparities in SMBG [Kirk] 1:135  
  Disparities in disabled older adults [Okoro] 4:686
- Anemia  
  Anemia and the diet [Maitland] 2:313
- Arab  
  Global health perspectives [Mokdad] 2:S3-55  
  Health-promoting behaviors [Cohen] 4:636
- Arab American  
  Highlights of conference keynote presentations [Hammad] 2:S3-3  
  Mental health [Larson] 2:S3-70  
  Mental health [Arfken] 2:S3-72  
  Reducing the cancer burden [Soliman] 2:S3-88  
  HIV/AIDS in Arab Americans [Hammad] 2:S3-92  
  HIV/AIDS in Arab Americans [Hammad] 2:S3-94  
  HIV/AIDS in Arab Americans [Belgacem] 2:S3-96
- Arab American Health  
  Introduction [Sakr] 2:S3-1  
  Tobacco and health [Bassett] 2:S3-7
- Arab Medicine  
  Integrated health care delivery [Sakr] 2:S3-57
- Arab World  
  Tobacco and health [Shafey] 2:S3-13  
  Global health perspectives [Ghannem] 2:S3-53
- Arab American Youth  
  Tobacco and health [Weglicki] 2:S3-22
- Asian Americans  
  Ethnic disparities in SMBG [Kirk] 1:135
- Aspirin  
  Lifestyle and health outcomes [Berlie] 2:S3-42
- Asthma  
  Lifestyle and health outcomes [Darwish-Yassin] 2:S3-26  
  Asthma education materials [Brotanek] 4:742
- Barriers  
  Lifestyle and health outcomes [Harb] 2:S3-28
- Barriers to Screening  
  Cervical cancer screening in Hispanics [Byrd] 1:129
- Behavior  
  Acculturation and weight [Ahluwalia] 4:643
- Behavioral  
  Ethnicity and New Zealand child health [Jamieson] 1:84
- Behavioral Risk Factors  
  Health status of Hispanics in Missouri [Yun] 2:291
- Behavior Modification  
  Cultural characteristics of African Americans [Kennedy] 3:548
- Beliefs  
  Tobacco beliefs in African Americans [Halbert] 1:92
- Birth Outcomes  
  Health disparities and women's reproductive health [Armstrong] 2:S2-4
- Blacks  
  Exercise effects in African Americans [Stephens] 1:55  
  Memory performance and mild cognitive impairment [McDougall] 2:381  
  Disparity in hypertension-related hospitalization [Hlaing] 3:453  
  Black South Africans with hypertension [Denison] 3:477  
  Hypertension care among black South Africans [Dennison] 3:484
- Blood Glucose Self Monitoring  
  Ethnic disparities in SMBG [Kirk] 1:135
- Blood Pressure  
  Blood pressure and exercise [Reed] 1:59  
  Stress-induced pressure natriuresis [Harshfield] 3:498  
  Metabolic syndrome in childhood [Rappaport] 3:S4-1  
  Post-exercise blood pressure in African Americans [Enweze] 4:665
- Body Image  
  Body image disparity and weight [Ard] 2:S2-34  
  Body image in African Americans [Gilliard] 4:617
- Body Mass Index  
  Obesity and pulmonary function in children [Eisenmann] 1:14  
  Child obesity in a Minnesota head start [Hu] 1:23  
  Body mass index in multiracial adults [Albright] 2:268
- Acculturation, BMI, depression, IL-1RA [Ruiz] 2:338
- Breastfeeding and obesity by race/ethnicity [Burdette] 3:467
- Obesity in African-origin population [Nemesure] 3:508
- Metabolic syndrome in childhood [Rappaport] 3:S4-1

- Body image in African Americans [Gilliard] 4:617
- Lifestyle risk factors for chronic disease [O'Loughlin] 4:657
- BMI tracking in Mexican American children [Olvera] 4:707
- Brazilian Men  
Skin color and fat location [Goncalves Ferreira] 2:256
- Breast Cancer  
Racial disparities in treatment of breast cancer [Du] 1:122  
Diet in breast and prostate cancer survival [Ferdowsian] 2:S2-18  
Reducing the cancer burden [Soliman] 2:S3-88
- Breast-feeding  
Breastfeeding and obesity by race/ethnicity [Burdette] 3:467
- BRFSS  
Disparities in disabled older adults [Okoro] 4:686
- Calcium  
Calcium intake and adiposity in women [Kruger] 1:6
- Cancer  
Diet in breast and prostate cancer survival [Ferdowsian] 2:S2-18  
Introduction [Sakr] 2:S3-1  
Tobacco and health [Bassett] 2:S3-7  
Tobacco and health [Seffrin] 2:S3-8  
Tobacco and health [Warner] 2:S3-10  
Reducing the cancer burden [Soliman] 2:S3-88  
Lifestyle risk factors for chronic disease [Maskarinec] 4:597
- Cancer Disparities  
Human papillomavirus vaccines [Saslow] 2:S2-8
- Cancer Screening  
*Fatalismo* reconsidered [Abraido-Lanza] 1:153
- Cardiovascular  
Language and undiagnosed hypertension in Mexican Americans [Eamranond] 4:699
- Cardiovascular Disease  
Racial and ethnic differences in cardiovascular risk factors [Kurian] 1:143  
CV management of high-risk African-Americans [Williams] 2:214  
Physician bias in African American setting? [Caillier] 3:461  
Latino/Hispanic cardiovascular health [Davidson] 3:568  
CVD in sub-Saharan Africa [Sani] 3:574  
Lifestyle and health outcomes [Darwish-Yasine] 2:S3-26  
Lifestyle and health outcomes [Harb] 2:S3-28  
Lifestyle and health outcomes [Tancer] 2:S3-31  
Lifestyle risk factors for chronic disease [O'Loughlin] 4:657  
Diabetes and cardiovascular disease hospitalizations [Cook] 4:714
- Cardiovascular Function  
Uric acid levels in South African women [Palmer] 4:676
- Cardiovascular Health  
Exercise effects in African Americans [Stephens] 1:55
- Cardiovascular Risk  
Community-based programs for CV risk [Low] 2:S2-55  
Black South Africans with hypertension [Dennison] 3:477
- Cardiovascular Risk Factors  
Stroke risk in the Middle East and Africa [Badr] 2:274
- Caribbean  
Anemia and the diet [Maitland] 2:313
- Caucasian  
Racial influence associated with weight [Malpede] 1:1  
Uric acid levels in South African women [Palmer] 4:676
- Center for Population Health and Health Disparities  
Science of health disparities [Artinian] 3:427
- Cervical Cancer  
Human papillomavirus vaccines [Saslow] 2:S2-8
- Cervical Cancer Screening  
Cervical cancer screening in Hispanics [Byrd] 1:129
- Cervix  
Update on micronutrients and cervical dysplasia [Piyathilake] 2:S2-14
- Children  
Ethnicity and New Zealand child health [Jamieson] 1:84  
Breastfeeding and obesity by race/ethnicity [Burdette] 3:467  
Metabolic syndrome in childhood [Rappaport] 3:S4-1  
BMI tracking in Mexican American children [Olvera] 4:707
- Chronic Diseases  
Health status of Hispanics in Missouri [Yun] 2:291  
Panel discussion [Bassett] 2:S3-47  
Global health [Sakr] 2:S3-50  
Global health perspectives [Mokdad] 2:S3-55  
Lifestyle risk factors for chronic disease [Maskarinec] 4:597  
Self management in African Americans [Rucker-Whitaker] 4:611
- Communication  
Older African Americans and pharmacists [Youmans] 2:284
- Community  
Self management in African Americans [Rucker-Whitaker] 4:611
- Community-Acquired Infection  
Community-associated infections in children [Immergluck] 2:S2-46
- Community-Acquired Pneumonia  
Pneumonia in Bedouins and Jews [Novack] 3:441
- Community-Based Participatory Research  
Cultural sensitivity [Andrews] 2:331  
Science of health disparities [Artinian] 3:427
- Community Health Workers  
Prevention of hypertension and diabetes with CHWs [Bradley] 1:49
- Comorbidity  
Health literacy and perceived health [Guerra] 2:305
- Complementary Alternative Medicine  
Stress reduction and congestive heart failure [Jayadevappa] 1:72
- Compliance  
Hypertension care among black South Africans [Dennison] 3:484
- Congestive Heart Failure  
Stress reduction and congestive heart failure [Jayadevappa] 1:72
- Continental Population Groups  
Health literacy and perceived health [Guerra] 2:305
- Continuity of Care  
Hypertension control and continuity of care [Fisher] 4:693
- Coronary Heart Disease  
Health promotion in South Africa [Temple] 4:749
- Cultural Background  
Immigrant women in Hamtramck [Markova] 4:651
- Cultural Competency  
Asthma education materials [Brotanek] 4:742
- Cultural Sensitivity  
Cultural sensitivity [Andrews] 2:331
- Culture  
Racial influence associated with weight [Malpede] 1:1  
Body image disparity and weight [Ard] 2:S2-34  
Cultural characteristics of African Americans [Kennedy] 3:548
- Custom  
Epidemiology of peripartum cardiomyopathy [Isezuo] 2:228
- CVD Risk Factors  
Racial and ethnic differences in cardiovascular risk factors [Kurian] 1:143
- DASH Diet  
A dash of soul [Rankins] 3:S4-7
- Definitions  
Metabolic syndrome definitions by ethnicity [Unwin] 3:523
- Depression  
Depression and rural African Americans [Kogan] 1:106  
Acculturation, BMI, depression, IL-1RA [Ruiz] 2:338  
Memory performance and mild cognitive impairment [McDougall] 2:381  
Racial differences in hypertension [Read] 2:389  
Depression in primary care [Elliott] 2:S2-28  
Concept of race in research [Kurz] 3:560  
Tobacco and health [Bassett] 2:S3-7  
Tobacco and health [Arfken] 2:S3-16  
Tobacco and health [Rice] 2:S3-19  
Lifestyle and health outcomes [Darwish-Yasine] 2:S3-26  
Lifestyle and health outcomes [Tancer] 2:S3-31
- Developing Country  
Prevention of hypertension and diabetes with CHWs [Bradley] 1:49
- Diabetes  
Racial differences and metabolic syndrome [Lin] 1:35

## SUBJECT INDEX, VOL 17

- Prevention of hypertension and diabetes with CHWs [Bradley] 1:49
- Ethnicity and diabetes [Nguyen] 1:65
- Autoimmune and diabetes in Japanese Brazilians [Hashimoto] 1:78
- Ethnic disparities in SMBG [Kirk] 1:135
- Diabetes in rural community of Hawaii [Grandinetti] 2:250
- Diabetes update 2006 [Gavin] 2:S2-23
- Quality of life and diabetes [Quandt] 3:471
- Managing uncertainty in diabetes [Amoako] 3:515
- Race differences in glycemic control [Saydah] 3:529
- Increase in hypoglycemic admissions [Asuncion] 3:536
- Lifestyle and health outcomes [Darwish-Yassine] 2:S3-26
- Lifestyle and health outcomes [Berlie] 2:S3-42
- Diabetes and cardiovascular disease hospitalizations [Cook] 4:714
- Diabetes Management
- Diabetes update 2006 [Gavin] 2:S2-23
- Diabetes Mellitus
- Diabetic ketoacidosis in African Americans [Seyoum] 2:234
- Postdischarge diabetes care [Wheeler] 2:238
- Prognostic indices of diabetes mortality [Ogbera] 4:721
- Microalbuminuria, diabetes mellitus in Kumasi, Ghana [Eghan] 4:726
- Diabetic Nephropathy
- Microalbuminuria, diabetes mellitus in Kumasi, Ghana [Eghan] 4:726
- Diabetic Ketoacidosis (DKA)
- Diabetic ketoacidosis in African Americans [Seyoum] 2:234
- Diet
- Soul and Caribbean foods among Adventists [Akbar] 2:244
- Anemia and the diet [Maitland] 2:313
- Diet in breast and prostate cancer survival [Ferdowsian] 2:S2-18
- Lifestyle risk factors for chronic disease [O'Loughlin] 4:657
- Dietary
- Calcium intake and adiposity in women [Kruger] 1:6
- Dieting
- Ethnic differences in weight control [Anunziato] 2:262
- Disabilities
- Disparities in disabled older adults [Okoro] 4:686
- Disparities
- Improving health and eliminating disparities [Rust] 2:S2-1
- Physician bias in African American setting? [Caillier] 3:461
- Education
- School-based stroke awareness intervention [Gonzales] 2:320
- Elderly
- Lung cancer treatment disparities [Crowell] 2:358
- Emotional Distress
- Diabetes emotional distress and ethnicity [Welch] 3:541
- End Stage Renal Disease
- Microalbuminuria, diabetes mellitus in Kumasi, Ghana [Eghan] 4:726
- English as a Second Language
- Child obesity in a Minnesota head start [Hu] 1:23
- Environmental Health
- Panel discussion [Bassett] 2:S3-47
- Epidemiologic Methods
- Identifying determinants of disparities [Levine] 2:280
- Epidemiology
- Epidemiology of peripartum cardiomyopathy [Isezuo] 2:228
- Intensity of hypertension treatment [Safford] 3:421
- Hispanic hypertension-related mortality [Zambrana] 3:434
- Ethnic Difference
- Self-efficacy and weight loss [Annesi] 1:19
- Ethnic Foods
- Soul and Caribbean foods among Adventists [Akbar] 2:244
- Ethnic Groups
- Health literacy and perceived health [Guerra] 2:305
- Ethnicity
- Child obesity in a Minnesota head start [Hu] 1:23
- Ethnic differences in weight control [Anunziato] 2:262
- Body mass index in multiracial adults [Albright] 2:268
- Diet in breast and prostate cancer survival [Ferdowsian] 2:S2-18
- Intensity of hypertension treatment [Safford] 3:421
- Pneumonia in Bedouins and Jews [Novack] 3:441
- Disparity in hypertension-related hospitalization [Hlaing] 3:453
- Breastfeeding and obesity by race/ethnicity [Burdette] 3:467
- Black South Africans with hypertension [Dennison] 3:477
- Hypertension care among black South Africans [Dennison] 3:484
- Metabolic syndrome definitions by ethnicity [Unwin] 3:523
- Race differences in glycemic control [Saydah] 3:529
- Lifestyle risk factors for chronic disease [Makarinec] 4:597
- Exercise correlates and race [Rogers] 4:629
- Immigrant women in Hamtramck [Markova] 4:651
- Lifestyle risk factors for chronic disease [O'Loughlin] 4:657
- Exercise
- Blood pressure and exercise [Reed] 1:59
- Exercise correlates and race [Rogers] 4:629
- Post-exercise blood pressure in African Americans [Enweze] 4:665
- Fat
- Calcium intake and adiposity in women [Kruger] 1:6
- Fatalism
- Fatalismo* reconsidered [Abraido-Lanza] 1:153
- Folate
- Update on micronutrients and cervical dysplasia [Piyathilake] 2:S2-14
- Folic Acid
- African American recruitment and retention [Anderson] 3:555
- Food Frequency Questionnaire
- Soul and Caribbean foods among Adventists [Akbar] 2:244
- Framingham Heart Study
- Stroke risk in the Middle East and Africa [Badr] 2:274
- Genetic Risk
- Plasma t-PA and PAI-1 [Williams] 3:492
- Genetics
- Stroke risk factors among Caribbean Hispanics [Sacco] 2:351
- Genital Precancers
- Human papillomavirus vaccines [Saslow] 2:S2-8
- Global Health
- Introduction [Sakr] 2:S3-1
- Global health [Sakr] 2:S3-50
- Global health perspectives [Ghannem] 2:S3-53
- Glucose
- Diabetes in rural community of Hawaii [Grandinetti] 2:250
- Lifestyle and health outcomes [Berlie] 2:S3-42
- Glucose Tolerance
- Internalized racism and diabetes in Zimbabwe [Tull] 4:731
- Glutamic Acid Decarboxylase Antibodies
- Autoimmune and diabetes in Japanese Brazilians [Hashimoto] 1:78
- Glycemic Control
- Race differences in glycemic control [Saydah] 3:529
- Grave's Disease
- Thyroid disorder in Nigeria [Ogbera] 2:327
- Gulf War
- Mental health [Jamil] 2:S3-77
- Mental health [Kira] 2:S3-79
- Hawaii
- Diabetes in rural community of Hawaii [Grandinetti] 2:250
- Health
- Ethnicity and New Zealand child health [Jamieson] 1:84
- Health literacy and perceived health [Guerra] 2:305
- Anemia and the diet [Maitland] 2:313
- Health Behavior
- Immigrant women in Hamtramck [Markova] 4:651
- Health Behavior Framework
- Hepatitis B testing among Koreans [Bastani] 2:365
- Healthcare Coverage
- Health status of Hispanics in Missouri [Yun] 2:291
- Healthcare Disparities

- QI in commercial Medicaid managed care [Rodriguez] 3:447  
 Health Disparities  
   Racial and ethnic differences in cardiovascular risk factors [Kurian] 1:143  
   Older African Americans and pharmacists [Youmans] 2:284  
   Health disparities and women's reproductive health [Armstrong] 2:S2-4  
   International perspective on health disparities [Danso] 2:S2-50  
   Community-based programs for CV risk [Low] 2:S2-55  
   Black South Africans with hypertension [Dennison] 3:477  
   Hypertension care among black South Africans [Dennison] 3:484  
   Hypertension control and continuity of care [Fisher] 4:693  
 Health Education  
   Perceptions of prostate cancer screening [Sanchez] 2:374  
 Health Literacy  
   Health literacy and perceived health [Guerra] 2:305  
 Health Locus of Control  
   Health-promoting behaviors [Cohen] 4:636  
 Health Outcomes  
   Lifestyle and health outcomes [Darwish-Yasine] 2:S3-26  
   Lifestyle and health outcomes [Harb] 2:S3-28  
 Health Policy  
   Science of health disparities [Artinian] 3:427  
   Panel discussion [Bassett] 2:S3-47  
 Health-Promoting Behaviors  
   Health-promoting behaviors [Cohen] 4:636  
 Health Promotion  
   Prevention of hypertension and diabetes with CHWs [Bradley] 1:49  
   Cultural characteristics of African Americans [Kennedy] 3:548  
 Health Related Quality of Life  
   Stress reduction and congestive heart failure [Jayadevappa] 1:72  
 Health Services Accessibility  
   Postdischarge diabetes care [Wheeler] 2:238  
 Health Status  
   Health status of urban Hispanics [Vaughan] 1:99  
   Health status of Hispanics in Missouri [Yun] 2:291  
   Health literacy and perceived health [Guerra] 2:305  
 Heart Disease  
   Racial and ethnic differences in cardiovascular risk factors [Kurian] 1:143  
   Delay in seeking medical help [Banks] 2:221  
 Help-Seeking  
   Ethnic differences in weight control [Anunziato] 2:262  
 Hemiparetic  
   Reduced fitness and functions in stroke survivors [Hinson] 4:682  
 Hepatitis A  
   Hepatitis update [Hall] 2:S2-40  
 Hepatitis B  
   Hepatitis update [Hall] 2:S2-40  
   Hepatitis B Knowledge  
     Hepatitis B testing among Koreans [Bastani] 2:365  
   Hepatitis B Serological Testing  
     Hepatitis B testing among Koreans [Bastani] 2:365

# Index to Volume 17

## VOLUME 17: TABLE OF CONTENTS VOLUME 17, NUMBER 1

### Focus: Obesity

#### Original Reports: Obesity

Racial influences associated with weight-related beliefs in African American and Caucasian women. Malpede CZ, Greene LF, Fitzpatrick SL, Jefferson WK, Shewchuk, RM, Baskin ML, Ard JD [1]

An inverse association between calcium and adiposity in women with high fat and calcium intakes. Kruger HS, Rautenbach PH, Venter CS, Wright HH, Schwarz PEH [6]

Obesity and pulmonary function in Navajo and Hopi children. Eisenmann JC, Arnall DA, Kanuho V, Interpreter C, Coast JR [14]

Relations of changes in exercise self-efficacy, physical self-concept, and body satisfaction with weight changes in obese White and African American women initiating a physical activity program. Annesi JJ [19]

Childhood obesity among head start enrollees in southeastern Minnesota: prevalence and risk factors. Hu WT, Foley TA, Wilcox RA, Kozera RM, Mogenstern BZ, Juhn YJ [23]

#### Original Reports: Cardiovascular disease and risk factors

Ascribing meaning to hypertension: a qualitative study among African Americans with uncontrolled hypertension. Boutin-Foster C, Ogedegbe G, Ravenell JE, Robbins L, Charlson ME [29]

Prevalence of the metabolic syndrome among US middle-aged and older adults with and without diabetes – a preliminary analysis of the NHANES 1999-2002 data. Lin SX, Pi-Sunyer, FX [35]

Black-white differences in age trajectories of hypertension prevalence among adult women and men, 1999-2002. Geronimus AT, Bound J, Keene D, Hicken M [40]

Prevention of hypertension and diabetes in an urban setting in South Africa: participatory action research with community health workers. Bradley HZ, Puoane T [49]

Aerobic exercise improves cardiorespiratory fitness but does not reduce blood pressure in prehypertensive

African American women. Stephens Q, Kirby T, Buckworth J, Devor S, Hamlin R [55]

Blood pressure responses of sedentary African American women during cycle and treadmill exercise. Reed J [59]

Ethnicity, language, specialty care, and quality of diabetes care. Nguyen TT, Daniels NA, Gildengorin GL, Perez-Stable EJ [65]

Effectiveness of transcendental meditation on functional capacity and quality of life of African Americans with congestive heart failure: a randomized control study. Jayadevappa R, Johnson JC, Bloom BS, Nidich S, Desai S, Chhatre S, Raziano DB, Schneider R [72]

Autoimmunity does not contribute to the highly prevalent glucose metabolism disturbances in a Japanese Brazilian population. Hashimoto SM, Gimeno SGA, Matsumura L, Franco LJ, Miranda WL, Ferreira SRG [78]

#### Original Reports: Public Health

Associations between ethnicity and child health factors in New Zealand. Jamieson LM, Koopu PI, McomDent [84]

Beliefs about tobacco use in African Americans. Halbert CH, Gandy OH, Collier A, Shaker L [92]

The New York City community outreach study: biomedical and mental health status among a community sample of urban Hispanics. Vaughan R, Cushman LF, Nye A [99]

Correlates of elevated depressive symptoms among rural African American adults with type 2 diabetes. Kogan SM, Brody GH, Crawley C, Logan P, Murry VM [106]

#### Original Reports: Women's Health

Preterm birth among African American and white women with a lifelong residence in high-income Chicago neighborhoods: an exploratory study. Collins JW, David RJ, Simon DM, Prachand NG [113]

Preeclampsia among Hispanic women in a Detroit health system. Yeo S, Wells PJ, Kieffer EC, Nolan GH [118]

Racial disparities and trends in radiation therapy after breast-conserving surgery for early-stage breast cancer in women, 1992 to 2002. Du XL, Gor BJ [122]

Barriers and facilitators of cervical cancer screening among Hispanic women. Byrd TL, Chavez R, Wilson KM [129]

### Reviews and Commentaries

Racial and Ethnic Disparities in self-monitoring of blood glucose among US adults: a qualitative review. Kirk JK, Graves DE, Bell RA, Hildebrandt CA, Narayan V [135]

Racial and ethnic differences in cardiovascular disease risk factors: a systematic review. Kurian AK, Cardarelli KM [143]

Commentary: *fatalismo* reconsidered: a cautionary note for health-related research and practice with Latino populations. Abraido-Lanza AF, ValadrichA, Florez KR, Cespedes A, Aguirre AN, De La Cruz AA [153]

### Departments

Clinical Research [159]

Grants and Funding Opportunities [161]

Updates from US Health Agencies [164]

Health Legislative Issues [167]

For the Patient [169]

Volume 16 Index [177]

## VOLUME 17, NUMBER 2

### Focus: Heart Failure

From the Editor-in-Chief: Section Reviews [199]

Corrections [205]

#### Original Reports: Heart Failure

Factors underlying racial disparities in hospital care of congestive heart failure. Shen JJ, Washington EL, Chung K, Bell R [206]

Guidelines for management of high-risk African Americans with multiple cardiovascular risk factors: recommendations of an expert consensus panel. Williams RA, Flack JM, Gavin JR, Schneider WR, Hennekens CH [214]

Are there gender differences in the reasons why African Americans delay in seeking medical help for symptoms of an acute myocardial infarction? Banks AD, Dracup K [221]

#### Original Reports: Cardiovascular Disease and Risk Factors

Epidemiologic profile of peripartum cardiomyopathy in a tertiary care hospital. Isezuo SA, Abubakar [228]

Profile of diabetic ketoacidosis in a predominantly African American urban patient population. Seyoum B, Berhanu P [234]

Inpatient to outpatient transfer of diabetes care: perceptions of barriers to postdischarge follow-up in urban African American patients. Wheeler K, Crawford R, McAdams D, Robinson R, Dunbar VG, Cook CB [238]

The contribution of soul and Caribbean foods to nutrient intake in a sample of blacks of US and Caribbean descent in the Adventist health study-2: a pilot study. Akbar JA, Jaceldo-Siegl K, Fraser G, Herring RP, Yancey A	[244]	intervention to improve stroke awareness. Gonzales NR, Brown DL, Maddox KE, Conley KM, Espinosa N, Pary JK, Karim AP, Moye LA, Grotta JC, Mortenstern LB	[320]	For the Patient Supplement 2	[414]
Prevalence of diabetes and glucose intolerance in an ethnically diverse rural community of Hawaii. Grandinetti A, Kaholokula JK, Theriault AG, Mor JM, Chang HK, Waslien C	[250]	Pattern of thyroid disorders in the southwestern region of Nigeria. Ogbera AO, Fasanmade O, Aderiran O	[327]	Proceedings from the sixth annual primary care and prevention conference and the eleventh annual hela women's health conference: improving health, eliminating disparities	[S2-1]
Waist circumference and waist-to-hip ratio as indicators of fat location in black, white and mulatto Brazilian men. Ferreira MG, Valente JG, Veras Goncalves da Silva RM, Sichieri R	[256]	Using community-based participatory research to develop a culturally sensitive smoking cessation intervention with public housing neighborhoods. Andrews JO, Bentley G, Crawford S, Pretlow L, Tingen MS	[331]	VOLUME 17, NUMBER 2, SUPPLEMENT 2	
A comparison of weight-control behaviors in African American and Caucasian women. Annunziato RA, Lee JN, Lowe MR	[262]	The relationships among acculturation, body mass index, depression, and interleukin 1-receptor antagonist in Hispanic pregnant women. Ruiz RJ, Stowe RP, Goluszko E, Clark MC, Tan A	[338]	Select proceedings from the sixth annual primary care and prevention conference and the eleventh annual hela women's health conference: improving health, eliminating disparities	
Body mass index in monoracial and multiracial adults: results from the multiethnic cohort study. Albright CL, Steffen A, Wilkens LR, Henderson BE, Kolonel LN	[268]	Designing and implementing a cultural competence OSCE: lessons learned from interviews with medical students. 				VOLUME 17, NUMBER 3	
				Original Reports on Focus Area: Health Disparities	

## TABLE OF CONTENTS, VOL 17

- Understanding racial disparities in hypertension control: intensity of hypertension medication treatment in the REGARDS study. Safford MM, Halanych JH, Lewis CE, Levine D, Houser S, Howard G [421]
- Advancing the science of health disparities research. Artinian NT, Warnecke RB, Kelly KM, Weiner J, Lurie N, Flack JM, Mattei J, Eschbach K, Long JA, Furumoto-Dawson A, Hankin JR, DeGraffireid C [427]
- Disparities in hypertension-related mortality among selected Hispanic subgroups and non-Hispanic white women ages 45 years and older – United States, 1995-1996 and 2001-2002. Zambrana RE, Ayala C, Pokras OC, Minaya J, Mensah GA [434]
- Differences between Bedouin and Jewish populations in incidence and characteristics of patients hospitalized with community-acquired pneumonia. Novack V, Avnon LS, Etzion O, Riesenber K, Elbaz G, Schlaeffer F [441]
- Quality improvement for Medicaid members of a commercial health plan: impact on racial/ethnic difference. Rodriguez MA, Calhoun RT, Jatulis D, Wood D [447]
- Race/ethnic disparity in hypertension-related hospitalization in Florida. Hlaing W [453]
- Physician bias: does it occur at teaching hospitals that serve a majority of African American patients? Caillier JG, Brown SC, Parsons S, Ardoin PJ, Cruise P [461]
- Differences by race and ethnicity in the relationship between breastfeeding and obesity in preschool children. Burdette HL, Whitaker RC [467]
- Ethnic disparities in health-related quality of life among older rural adults with diabetes. Quandt SA, Graham CN, Bell RA, Snively BM, Golden SL, Stafford JM, Arcury TA [471]
- Original Reports: Cardiovascular Disease and Risk Factors
- Cardiovascular risk and comorbid conditions among black South Africans with hypertension in public and private primary care settings: the hihi study. Dennison CR, Peer N, Lombard CJ, Kepe L, Levitt NS, Steyn K, Hill MN [477]
- Determinants of hypertension care and control among peri-urban black South Africans: the hihi study. Dennison CR, Peer N, Steyn K, Levitt NS, Hill MN [484]
- A population-based study in Ghana to investigate inter-individual variation in plasma t-pa and pai-1. Willaims SM, Stocki S, Jiang L, Brew K, Gordon S, Vaughan DE, Brown NJ, Poku KA, Moore JH [492]
- The association of race and sex to the pressure of natriuresis response to stress. Harshfield GA, Hanevold C, Kapuku GK, Dong Y, Castles ME, Ludwig DA [498]
- Impact of exercise (walking) on blood pressure levels in African American adults with newly diagnosed hypertension. Sohn AJ, Hasnain M, Sinacore JM [503]
- Prevalence of obesity and associates sex-specific factors in an Africa-origin population. Nemesure B, Wu S, Hennis A, Leske C [508]
- Original Reports: Diabetes
- Managing uncertainty in diabetes: an intervention for older African American women. Amoako E, Skelly AH [515]
- A comparison of the new international diabetes federation definition of metabolic syndrome to WHO and NCEP definitions in Chinese, European and South Asian origin adults. Unwin N, Bhopal R, Hayes L, White M, Patel S, Ragoobirsingh D, Alberti G [522]
- Race and ethnic differences in glycemic control among adults with diagnosed diabetes in the United States. Saydah S, Cowie C, Eberhardt MS, De Rekeneire N, Venkat Narayan KM [529]
- Increase in hypoglycemic admissions: California hospital discharge data. Asuncion MM, Shaheen M, Ganesan K, Velasques J, Teklehaimanot S, Pan D, Norris K [536]
- Disease-related emotional distress of Hispanic and non-Hispanic type 2 diabetes patients. Welch G, Schwartz CE, Santiago-Kelly P, Garb J, Shayne R, Bode R [541]
- Original Reports: Research Design
- Cultural characteristics of African Americans: implications for the design of trials that target behavior and health promotion programs. Kennedy BM, Ard JD, Harrison L, Conish BK, Kennedy E, Levy EJ, Brantley PJ [548]
- Enhancing recruitment of healthy African American volunteers in a city with a small African American community: results from a dietary supplement crossover trial. Anderson CAM, Beresford SAA, Lampe J, Knopp RH, Motulsky AG [555]
- The concept of race in research: using composite variables. Kurz B, Rozas LW [560]
- Commentaries
- Commentary: avoiding the looming Latino/Hispanic cardiovascular health crisis: a call to action. Davidson JA, Kannel WB, Lopez-Candales A, Morales L, Moreno PR, Ovalle F, Rodriguez CJ, Rodbard HW, Rosenson RS, Stern M [568]
- Commentary: cardiovascular disease in sub-saharan Africa: an emerging problem. Sani MU [574]

SUPPLEMENT 3
- Proceedings from the Fourth Biennial National Conference on Health Issues in the Arab American Community
- Section I
- Introduction. Sakr WA, Hammad A, Darwish-Yassine M [S3-1]
- Section II. Highlights of keynote presentations. Hammad A, Darwish-Yassine M, Sakr WA [S3-3]
- Section III. Tobacco and health
- A. Overview. Bassett DJP, Rice VH [S3-6]
- B. Commentary on tobacco: the world's leading cause of cancer. Seffrin JR [S3-8]
- C. Commentary on the global epidemic of tobacco, a manufactured disease. What it looks like today and what's to come. Warner KE [S3-10]
- D. Global epidemiology and health hazards of tobacco use: Arab world patterns. Shafey O [S3-13]

E. A review: depression and smoking. Arfken CL [S3-16]	Section VII. Integrated health care delivery: past, present and future. Assessment of local models of integrating physical and mental health concerns	Conference committees [S3-102]
F. Collaborative research of tobacco use and its predictors in Arab and non-Arab American 9 <sup>th</sup> graders. Rice VH, Templin T, Hammad A, Weglicki L, Jamil H, Abou-Mediene S [S3-19]	A. Overview. Sakr W, Massanari M [S3-57]	Conference supporters [S3-104]
G. Tobacco use in patterns among high school students: do Arab American youth differ? Weglick L, Templin T, Hammad A, Jamil H, Abou-Mediene S, Farroukh M, Rice VH [S3-22]	B. Integrated care in the history of Arab medicine – a historical perspective. Yahia S [S3-59]	VOLUME 17: TABLE OF CONTENTS
H. Abstract: patterns of smoking among Aleppo university students. Akil N [S3-25]	C. Integrated health care delivery – a mandate for systems transformation. Massanari RM [S3-60]	VOLUME 17, NUMBER 4
I. Abstract: active and passive smoking during pregnancy in Aleppo, Syria: does it affect the outcome? Hammami M, Ramamdan M, Sereo A [S3-25]	D. Integrating mental and general medical health care – the Henry Ford health system experience. Coffey CE [S3-62]	Focus Area: Lifestyle and Behavior Change Measures
Section IV. Life style and health outcomes	E. The Oakwood health care system experience. Khraizat I [S3-64]	Original Reports: Lifestyle and Behavior Change Measure
A. Overview. Darwish-Yassine M, Jaber L [S3-26]	F. Models of health and mental health integration: ACCESS community health and research center model. Kira I, Hammad A, Abou-Mediene S [S3-66]	Lifestyle risk factors for chronic disease in a multiethnic population: an analysis of two prospective studies over a 20-year period. Maskarinec G, Carlin L, Pagano I, Yamamoto J, Shumay D, Wilkens LR, Kolonel LN [597]
B. Managing cardiovascular risk barriers to optimal health outcomes in the Arab American patients. Harb [S3-28]	Section VIII. Mental Health	Characteristics of insufficiently active hypertensive black women who volunteer to be in a physical activity promotion intervention: an application of social cognitive theory and the transtheoretical model. Martin MY, Prayor-Patterson H, Kratt P, Kim Y, Person S [604]
C. Depression and cardiovascular disease. Tancer ME, Amirsadri A [S3-31]	A. Overview. Larson JH, Wrobel N, Hammad A [S3-70]	A pilot study of self-management in African Americans with common chronic conditions. Rucker-Whitaker C, Basu S, Kravitz G, Bushnell MK, Mendes de Leon CF [611]
D. Male infertility in Lebanon: a case-controlled study. Kobeissi L, Inhorn MC [S3-33]	B. Arab Americans in publicly financed substance abuse treatment. Arfken CL, Kubiak SP, Koch AL [S3-72]	Concordance between self-reported heights and weights and current and ideal body images in young adult African American men and women. Gilliard TS, Lackland DT, Mountford WK, Egan BM [617]
E. Project Salaam: assessing mental health needs among San Diego's greater Middle Eastern and East African communities. Reimann JOF, Rodriguez-Reimann DI, Ghulan M, Beylouni MF [S3-39]	C. Medical complaints of Iraqi American people before and after the 1991 gulf war. Jamil H, Nassar-McMillan S, Lambert R, Hammad A [S3-77]	Self identity through H'oponopono as adjunctive therapy for hypertension management. Kretzer K, Davis J, Easa D, Johnson J, Harrigan R [624]
F. The use of glucose-lowering agents and aspirin among Arab Americans with diabetes. Berlie HD, Hammad A, Jaber LA [S3-42]	D. The physical and mental status of Iraqi refugees and its etiology. Kira I, Hammad A, Lewandowski L, Templin T, Ramaswamy V, Ozkan B, Nohanesh J [S3-79]	Racial differences in physical activity associations among primary care patients. Rogers LQ, McAuley E, Courneya KS, Humphries MC, Gutin B [629]
G. Abstract: asthma, environmental risk factors, and hypertension among Arab Americans in the metro Detroit area. Johnson M, Nriagu J, Hammad A, Savoie K, Jamil H [S3-46]	Section IX. Pre-conference workshop: reducing the cancer burden in Arabs and Arab Americans. Soliman A [S3-88]	Health-promoting behaviors and health locus of control from a multicultural perspective. Cohen M, Azaiza F [636]
Section V. Report: interactive panel discussion on health-related policy, environmental health, and chronic disease. Bassett DJP, Darwish-Yassine M [S3-47]	Section X. Post-conference workshop: HIV/AIDS in the Arab American community: breaking the silence!	Acculturation, weight, and weight-related behaviors among Mexican Americans in the United States. Ahluwalia IB, Ford ES, Link M, Bolen JC [643]
Section VI. Global health from Arab and developing world perspectives	A. Overview. Hammad A, Gomez M [S3-92]	Healthcare attitudes and behaviors of immigrant and US-born women in Hamtramck, Michigan: a metro-net study. Markova T, Dean F, Neale AV [650]
A. Overview. Sakr WA, Akil N [S3-50]	B. Summary report: Arab Americans and HIV/AIDS in Michigan. Davis-Satterla L [S3-94]	Lifestyle risk factors for chronic disease across family origin among adults in multiethnic, low-income, urban neighborhoods. O'Loughlin J, Maximova K, Tan Y, Gray-Donald K [657]
B. Commentary: the growing risk factors for noncommunicable diseases in the Arab world. Belqacem S [S3-51]	C. Summary report: HIV/AIDS in the Arab world. Belgacem [S3-96]	
C. Global health from the Arab and developing world perspectives. Ghannem H [S3-53]	D. Summary report: HIV/AIDS in the Middle East and North Africa. Mani N [S3-97]	
D. Chronic diseases and the potential for prevention in the Arab world: the Jordanian experience. Mokdad AH [S3-55]	E. Summary report: Treating HIV/AIDS. Rabah R [S3-100]	
	Section XI. Appendices	

## TABLE OF CONTENTS, VOL 17

Original Reports: Cardiovascular Disease and Risk Factors			
Acute exercise and postexercise blood pressure in African American women. Enweze L, Oke LM, Thompson T, Obisesan TO, Blakely T, Adams RG, Millis RM, Khan M, Banks M, Bond V	[664]	LC, Balluz LS, Goins RT, Mokdad AH	[682]
Peripheral arterial disease in a multi-ethnic national sample: the role of conventional risk factors and allostatic load. Nelson KM, Reiber G, Kohler T, Boyko EJ	[669]	Continuity of care and hypertension control in a university-based practice. Fisher M, Sloane P, Edwards L, Gamble G	[693]
A comparison of uric acid levels in black African vs Caucasian women from South Africa: the POWIRS study. Palmer IM, Schutte AE, Huisman HW, Van Rooyen JM, Schutte R, Malan L, Malan NT	[676]	The association of language with prevalence of undiagnosed hypertension among older Mexican Americans. Eamranond PP, Patel KV, Legedza TR, Marcantonio ER, Leveille SG	[699]
Reduced cardiovascular fitness and ambulatory function in black and white stroke survivors. Hinson HE, Patterson SL, Macko RF, Goldberg AP	[682]	BMI tracking in Mexican American children in relation to maternal BMI. Olvera N, Sharma S, Suminski R, Rodriguez A, Power T	[707]
Disability among older American Indians and Alaskan natives: disparities in prevalence, health-risk behaviors, obesity, and chronic conditions. Okoro CA, Denny CH, McGuire		Original Reports: Diabetes	
		Relationship of diabetes with cardiovascular disease-related hospitalization rates, length of stay, and charges: analysis by race/ethnicity, age, and sex. Cook CB, Hentz JG, Miller WJ, Tsui C, Naylor DB, Ziemer DC, Waller LA	[714]
		Prognostic indices of diabetes mortality. Ogbera AO, Chinenye S, Onyekwere A, Fasanmade O	[721]
		Prevalence and predictors of microalbuminuria in patients with diabetes mellitus: a cross-sectional observa-	
		tional study in Kumasi, Ghana. Eghan BA, Frempong MT, Adjei-Poku M	[726]
		Internalized racism is associated with elevated fasting glucose in a sample of adult women but not men in Zimbabwe. Tull ES, Cort MA, Gwebu ET, Gwebu K	[731]
		Original Reports: Public Health	
		Descriptive and clinical epidemiology of preeclampsia and eclampsia in Florida. Mulla ZD, Gonzalez-Sanchez JL, Nuwayhid BS	[736]
		Leave no asthmatic child behind: the cultural competency of asthma educational materials. Brotanek JM, Grimes K, Flores G	[742]
		Commentary	
		Strategies for health promotion: facing the challenge in South Africa. Temple NJ	[749]
		Corrections	[755]
