

Index to Volume 18

SUBJECT INDEX

- 2-Amino-2-Deoxyisochorismate (Adic) synthase
 Anthranilate synthase from *s. venezuelae* [Ashenafi] 2:s2-9
- Access
 Language preference and access to health care [Pearson] 1:93
- Acculturation
 Acculturation and barriers to HIV care [Rajabiun] 4:403
- Acromegalic cardiomyopathy
 Acromegaly presenting as cardiac failure [Anumamah] 1:104
- Acromegaly
 Acromegaly presenting as cardiac failure [Anumamah] 1:104
- Adiponectin
 Cardiovascular disease in Filipino women [Magno] 4:458
- Admixture
 Admixture and diabetic nephropathy genes [Divers] 3:384
- Adolescent
 HIV/AIDS knowledge among adolescents [Fernandez] 2:s2-146
 Meditation and blood pressure control [Barnes] 1:1
 Overweight American Indian adolescents [DeLong] 3:317
- Adolescent health services
 Racial influences on asthma management in children [Piper] 2:225
- Aerobic training
 Exercise training in White and African American diabetes patients [Winnick] 2:152
- African American
 Admixture and diabetic nephropathy genes [Divers] 3:384
 African Americans' dietary knowledge [Pace] 1:6
 Black newspapers for cancer education [Caburnay] 4:488
 Blood pressure and memory in older African Americans [Whitfield] 2:181
 Blood pressure and psychosocial factors [Pointer] 3:289
 Caffeine and blood pressure in African American girls [Reddy] 3:283
 Cardiovascular disease and neurocognitive function [Sims] 4:471
 Cardiovascular disease intervention in high-risk families [Cene] 2:169
 Cardiovascular disease risk factor biomarkers [Deeg] 4:427
 Diabetes management in urban African Americans [Ziemer] 3:336
 Health behaviors among obese persons [James] 2:157
 Intrathoracic fat in African Americans and Whites [Willens] 3:311
- Meditation and blood pressure control [Barnes] 1:1
 Obesity and coronary artery disease burden in African Americans [Afonso] 1:53
 Physical activity and cardiovascular risk factors [Alhassan] 4:421
 Prevalence of mitral annulus calcification [Willens] 1:48
 Racial differences in medication compliance [Dickson] 2:204
 Self-reported depression [Jamil] 4:464
- African American men
 Prostate cancer screening [Husaini] 2:s2-179
- African American women
 Grandparenthood status and type 2 diabetes [Balukonis] 2:141
- African race
 Migration and cardiovascular risk [Dominguez] 4:512
- Aged
 Hypertension in older Mexicans [Salinas] 3:294
- AIDs
 Suicide attempts in Puerto Ricans with HIV/AIDS [Quintana-Ortiz] 2:s2-219
- Ai/An
 American Indian and Alaska Native adult caregivers [Mcguire] 4:477
- Albuminuria
 Serum c-reactive protein and microalbuminuria [Palmas] 3:324
- Alternative medicines
 Race/ethnicity and women's CAM use [Chao] 1:65
- American Indian
 Overweight American Indian adolescents [DeLong] 3:317
- Amlodipine
 Racial differences in medication compliance [Dickson] 2:204
- Angiography
 Obesity and coronary artery disease burden in African Americans [Afonso] 1:53
- Angiotensin-Converting enzyme inhibitor
 Racial differences in medication compliance [Dickson] 2:204
- Animal models
 Bioluminescent animal models of breast cancer [Shan] 2:s2-65
- Ankylosing spondylitis
 Dysphagia and lung aspiration from cervical osteophytes [De Jesus-Monge] 2:s2-137
- Anthranilate synthase
 Anthranilate synthase from *s. venezuelae* [Ashenafi] 2:s2-9
- Anthropometric indices
 Anthropometrics, hypertension, and diabetes [Kaur] 1:31
- Antihypertensive therapy
 Racial differences in medication compliance [Dickson] 2:204
- Apoptotic motifs
 HIV-1 nef and lymphocyte depletion [Huang] 2:s2-30
- Arab
 Heart disease in Arab and Chaldean women [Jamil] 1:19
- Arab American
 Birth outcomes among Arab Americans [El-Sayed] 3:348
 Self-reported depression [Jamil] 4:464
- AS
 Dysphagia and lung aspiration from cervical osteophytes [De Jesus-Monge] 2:s2-137
- Asian Indian
 Anthropometrics, hypertension, and diabetes [Kaur] 1:31
- Asians
 Asian/Pacific Islander vaccines [Shaw] 1:72
- Asthma
 Racial influences on asthma management in children [Piper] 2:225
 Rural/urban differences in emergency department followup [Withy] 2:s2-247
- Attitudes
 Teacher education [Ghosh] 2:s2-172
- Barriers
 Acculturation and barriers to HIV care [Rajabiun] 4:403
- Barriers to care
 Language preference and access to health care [Pearson] 1:93
- Bedouins
 Food intake and obesity rate differences [Fraser] 1:13
- Behavior
 African Americans' dietary knowledge [Pace] 1:6
- Behavioral risk factor surveillance system
 "Socially assigned race" and health [Jones] 4:496
 American Indian and Alaska Native adult caregivers [Mcguire] 4:477
 Health-related quality of life among minorities [Chowdhury] 4:483
 Health conditions, BMI among racial groups [Balluz] 4:450
- Beliefs
 African Americans' dietary knowledge [Pace] 1:6
- Benazepril
 Racial differences in medication compliance [Dickson] 2:204
- Biological markers
 Ethnic group comparisons of health status [Chang] 2:228
- Bioluminescent imaging
 Bioluminescent animal models of breast cancer [Shan] 2:s2-65
- Biomarkers
 Cardiovascular disease risk factor biomarkers [Deeg] 4:427
- Birth defects

- Birth defects prevention in Puerto Rico [Garcia-Fragoso] 2:s2-168
- Occupation/ethnicity and birth defects [Bren-der] 2:218
- Birth outcomes
- Birth outcomes among Arab Americans [El-Sayed] 3:348
- Black newspaper
- Black newspapers for cancer education [Cabur-nay] 4:488
- Blood pressure
- Blood pressure and memory in older African Americans [Whitfield] 2:181
 - Caffeine and blood pressure in African Amer-ican girls [Reddy] 3:283
- Blood pressure monitoring
- Meditation and blood pressure control [Barnes] 1:1
- Blood pressure reactivity
- Cardiac and vascular responses in children [Fourie] 2:187
- Body mass index
- Obesity and coronary artery disease burden in African Americans [Afonso] 1:53
 - Overweight American Indian adolescents [De-long] 3:317
 - Thyroid-stimulating hormone in overweight Hispanics [Figueroa] 2:s2-151
- Breast cancer
- Bioluminescent animal models of breast cancer [Shan] 2:s2-65
 - Cytotoxicity of etidronic acid [Zhou] 2:s2-87
- Breastfeeding
- Breastfeeding in Hawaii [Pager] 2:s2-215
- Bupropion
- Smoking cessation by race/ethnicity [Covey] 1:59
- C-Reactive protein
- Serum c-reactive protein and microalbuminuria [Palmas] 3:324
- Caffeine
- Caffeine and blood pressure in African Amer-ican girls [Reddy] 3:283
- Cancer disparities
- Black newspapers for cancer education [Cabur-nay] 4:488
- Cardiac catheterization
- Cardiac revascularization in Blacks [Brown] 2:s2-112
- Cardiovascular
- Cardiac and vascular responses in children [Fourie] 2:187
- Cardiovascular disease
- African Americans' dietary knowledge [Pace] 1:6
 - Cardiovascular disease in Filipino women [Magno] 4:458
 - Cardiovascular disease intervention in high-risk families [Cene] 2:169
 - Patient preferences and healthcare disparities [Caillier] 1:89
 - Racial disparity in diabetes CVD trends [Mountford] 2:131
- Cardiovascular disease risk factors
- Cardiovascular disease and neurocognitive func-tion [Sims] 4:471
 - Cardiovascular disease risk factor biomarkers [Deeg] 4:427
 - Cardiovascular risk among Dominicans [Geta-neh] 3:342
 - Migration and cardiovascular risk [Dominguez] 4:512
 - Physical activity and cardiovascular risk factors [Alhassan] 4:421
- Caregiver role
- Grandparenthood status and type 2 diabetes [Balukonis] 2:141
- Caregiving
- American Indian and Alaska Native adult caregivers [Mcguire] 4:477
- Caste
- Socioeconomic status and health in India [Suchday] 2:s2-235
- Castrated
- Estosterone and cocaine responses [Minerly] 2:s2-200
- Catch-up growth
- Postdischarge growth of very low birthweight infants [Campos] 2:s2-118
- Cd4+ or Cd8+ T lymphocytes
- HIV-1 nef and lymphocyte depletion [Huang] 2:s2-30
- Cell cycle
- Cytotoxicity of etidronic acid [Zhou] 2:s2-87
- Central obesity
- Anthropometrics, hypertension, and diabetes [Kaur] 1:31
- Chaldean
- Heart disease in Arab and Chaldean women [Jamil] 1:19
- Chaldean Americans
- Self-reported depression [Jamil] 4:464
- Child
- Caffeine and blood pressure in African Amer-ican girls [Reddy] 3:283
 - Cardiac and vascular responses in children [Fourie] 2:187
 - Characteristics of childhood overweight [Ho] 1:98
- Chinese
- Ethnic group comparisons of health status [Chang] 2:228
- Chronic disease
- Ethnic group comparisons of health status [Chang] 2:228
- Cigar smoking
- Assessing tobacco use [Weglicki] 3:s3-1
- Cirrhosis
- Preliminary HEADS score [Baskin-Bey] 3:357
- Class
- Socioeconomic status and health in India [Suchday] 2:s2-235
- Clinical trials
- Clinical trials and American Indians, Alaska Natives [Lavallie] 2:210
 - Meditation and blood pressure control [Barnes] 1:1
- Co-Culture and vascular endothelial growth fac-tors
- Growth factors and receptors in retinal and endothelial cells [Kumar] 2:s2-44
- Cocaine
- Estosterone and cocaine responses [Minerly] 2:s2-200
 - Gonadal hormone and cocaine-induced behav-iors [Niyomchai] 2:s2-51
 - Progesterone receptors and cocaine responses [Wu] 2:s2-81
- Cognition
- Cardiovascular disease and neurocognitive func-tion [Sims] 4:471
- Cognitive function
- Cardiovascular disease and neurocognitive func-tion [Sims] 4:471
- Colon
- Visceral drgs express nociceptive receptors [Chaban] 2:s2-20
- Colon cancer
- Changes in colorectal cancer staging [Cruz-Amy] 2:s2-128
- Colorectal cancer
- Health behaviors among obese persons [James] 2:157
- Comfort level
- Teacher education [Ghosh] 2:s2-172
- Community
- Mobilizing youth to screen for elevated blood pressure [Ovbiagele] 1:84
- Community-based education
- Prostate cancer screening [Husaini] 2:s2-179
- Community based participatory research
- Cuban experience improve health disparities [Dominguez] 2:s2-141
- Community dialog
- Concept mapping in disparity elimination [Risisky] 1:77
- Community participation
- Cardiovascular disease intervention in high-risk families [Cene] 2:169
- Complementary medicine
- Race/ethnicity and women's CAM use [Chao] 1:65
- Compliance
- Racial differences in medication compliance [Dickson] 2:204
- Concept mapping
- Concept mapping in disparity elimination [Risisky] 1:77
- Conceptual framework
- Multi-institutional, multidisciplinary collabora-tories [Fleming] 2:s2-161
- Congenital heart defects
- CHD-related mortality in children and adults [Nembhard] 4:442
- Congestive heart failure
- Acromegaly presenting as cardiac failure [Anu-mah] 1:104
- Control
- Hypertension in Ghanaian civil servants [Addo] 4:505
- Coronary artery bypass graft
- Cardiac revascularization in Blacks [Brown] 2:s2-112
- Coronary artery disease
- Obesity and coronary artery disease burden in African Americans [Afonso] 1:53
- Coronary heart disease

SUBJECT INDEX, VOL 18

- Cardiac revascularization in Blacks [Brown] 2:s:2-112
- Cuban health system
- Cuban experience improve health disparities [Dominguez] 2:s:2-141
- Cultural competence
- Strategies for improving OMH [Hernandez] 3:373
- Cultural practices
- Recent-immigrant Jamaican women [Gillespie-Johnson] 2:s:2-175
- Culturally appropriate
- Prostate cancer screening [Husaini] 2:s:2-179
- Cxcr4
- HIV-1 nef and lymphocyte depletion [Huang] 2:s:2-30
- Cytokines
- Atascosa diabetes study: urinary tgf-b1 [Riojas] 2:s:2-54
- Cytotoxicity
- Cytotoxicity of etidronic acid [Zhou] 2:s:2-87
- Decision-Making
- Clinical trials and American Indians, Alaska Natives [Lavallie] 2:210
- Depression
- Self-reported depression [Jamil] 4:464
- Detection
- Hypertension in Ghanaian civil servants [Addo] 4:505
- Developmental delay
- Postdischarge growth of very low birthweight infants [Campos] 2:s:2-118
- Dexa
- Exercise training in White and African American diabetes patients [Winnick] 2:152
- Diabetes
- Anthropometrics, hypertension, and diabetes [Kaur] 1:31
- Cardiovascular risk among Dominicans [Getaneh] 3:342
- Diabetes complications in minorities [Shen] 2:136
- Diabetes management in urban African Americans [Ziemer] 3:336
- Ethnicity and outcome after stroke [Gentile] 3:330
- Grandparenthood status and type 2 diabetes [Balukonis] 2:141
- Hypomagnesemia in Ethiopians with diabetes mellitus [Seyoum] 2:147
- Diabetic complications
- Diabetes complications in minorities [Shen] 2:136
- Racial disparity in diabetes CVD trends [Mountford] 2:131
- Diabetic ketoacidosis (Dka)
- Biochemistry in hyperglycemic emergencies [Anumah] 1:26
- Diabetic nephropathy
- Admixture and diabetic nephropathy genes [Divers] 3:384
- Atascosa diabetes study: urinary tgf-b1 [Riojas] 2:s:2-54
- Dietary intake
- Food intake and obesity rate differences [Fraser] 1:13
- Dietary knowledge
- African Americans' dietary knowledge [Pace] 1:6
- Diffuse idiopathic skeletal hyperostosis
- Dysphagia and lung aspiration from cervical osteophytes [De Jesus-Monge] 2:s:2-137
- Dihydropyridine calcium channel blocker
- Racial differences in medication compliance [Dickson] 2:204
- Disaster
- Birth outcomes among Arab Americans [El-Sayed] 3:348
- Post-disaster ethics [Chung] 3:378
- DISH
- Dysphagia and lung aspiration from cervical osteophytes [De Jesus-Monge] 2:s:2-137
- Disparities
- CHD-related mortality in children and adults [Nembhard] 4:442
- Ethnicity and outcome after stroke [Gentile] 3:330
- Language preference and access to health care [Pearson] 1:93
- Ocular health disparities [Wilson] 2:s:2-242
- Patient preferences and healthcare disparities [Caillier] 1:89
- Drg
- Visceral drgs express nociceptive receptors [Chaban] 2:s:2-20
- Dyslipidemia
- Hypertension and dyslipidemia in Hispanics [Lee] 4:409
- E cadherin alterations
- E-cadherin alterations in gastric cancer [Steinberg] 2:s:2-70
- Early initiation idu
- Early initiation idu in HIV Puerto Rican cohort [Baez Feliciano] 2:s:2-99
- Echocardiography
- Intrathoracic fat in African Americans and Whites [Willens] 3:311
- Prevalence of mitral annulus calcification [Willens] 1:48
- Education
- Disparities in knowledge of heart attack symptoms [Mcgruder] 2:192
- Education program
- School-based teenage education program [Chhabra] 2:s:2-123
- Emergency departments
- Readiness to change, problem drinking, inner-city emergency department [Antelo] 2:s:2-93
- Rural/urban differences in emergency department followup [Withy] 2:s:2-247
- Emergency medical care
- Disparities in knowledge of heart attack symptoms [Mcgruder] 2:192
- Emigration and immigration
- Hypertension in older Mexicans [Salinas] 3:294
- End-Stage renal disease
- Hypertension knowledge among urban patients [Sanne] 1:42
- Endothelial cells
- Growth factors and receptors in retinal and endothelial cells [Kumar] 2:s:2-44
- Epicardial fat
- Intrathoracic fat in African Americans and Whites [Willens] 3:311
- Epidemiology
- Characteristics of childhood overweight [Ho] 1:98
- CHD-related mortality in children and adults [Nembhard] 4:442
- Estrogen receptor
- Progesterone receptors and cocaine responses [Wu] 2:s:2-81
- Ethics
- Post-disaster ethics [Chung] 3:378
- Ethnic biomarkers
- E-cadherin alterations in gastric cancer [Steinberg] 2:s:2-70
- Ethnicity
- Admixture and diabetic nephropathy genes [Divers] 3:384
- Breastfeeding in Hawaii [Pager] 2:s:2-215
- Characteristics of childhood overweight [Ho] 1:98
- Ethnic group comparisons of health status [Chang] 2:228
- Ethnicity and outcome after stroke [Gentile] 3:330
- Health-related quality of life among minorities [Chowdhury] 4:483
- Home blood pressure monitoring in minority patients [Qureshi] 1:37
- Obesity and coronary artery disease burden in African Americans [Afonso] 1:53
- Occupation/ethnicity and birth defects [Brenner] 2:218
- Prevalence of mitral annulus calcification [Willens] 1:48
- Race/ethnicity and women's CAM use [Chao] 1:65
- Serum c-reactive protein and microalbuminuria [Palmas] 3:324
- Stroke awareness in veterans [Ellis] 2:198
- Ethnic/Racial group
- Health conditions, BMI among racial groups [Balluz] 4:450
- Etidronic acid
- Cytotoxicity of etidronic acid [Zhou] 2:s:2-87
- Exclusive
- Breastfeeding in Hawaii [Pager] 2:s:2-215
- Exosome
- HIV-1 nef vesicle secretion [Campbell] 2:s:2-14
- Faith-Based
- Prostate cancer screening [Husaini] 2:s:2-179
- Fat distribution
- Correlates of cardiometabolic risk [Perry] 2:163
- Feasibility
- HIV hepatitis c multimedia intervention feasibility and acceptability [Mayor] 2:s:2-195
- Federal regulations
- Post-disaster ethics [Chung] 3:378
- Filipino
- Cardiovascular disease in Filipino women [Magno] 4:458
- Folic acid
- Birth defects prevention in Puerto Rico [Garcia-Fragoso] 2:s:2-168
- Follow-Up time

- Rural/urban differences in emergency department followup [Withy] 2:s:2-247
- Formula feeding
- Breastfeeding in Hawaii [Pager] 2:s:2-215
- Fruit and vegetable
- Health behaviors among obese persons [James] 2:157
- FSH
- Tsh and fsh during menopause [Rojas] 2:s:2-230
- Gastric tumors
- E-cadherin alterations in gastric cancer [Steinberg] 2:s:2-70
- Gender
- Obesity and coronary artery disease burden in African Americans [Afonso] 1:53
- Gender differences
- Estosterone and cocaine responses [Minerly] 2:s:2-200
- School-based teenage education program [Chhabra] 2:s:2-123
- Gene-Environment effect modification
- Sample size for gene-environment studies [Efrid] 2:s:2-25
- Gene-Environment interaction
- Sample size for gene-environment studies [Efrid] 2:s:2-25
- Genetics
- Admixture and diabetic nephropathy genes [Divers] 3:384
- Genotype frequency
- Sample size for gene-environment studies [Efrid] 2:s:2-25
- GHAA (Global-World HIV/AIDS Alliance)
- Global-World HIV/AIDS Alliance (GHAA) [Maddirala] 2:s:2-185
- Ghana
- Hypertension in Ghanaian civil servants [Addo] 4:505
- Glucose tolerance
- Atascosa diabetes study: urinary tgf-b1 [Riojas] 2:s:2-54
- Gonadal hormones
- Estosterone and cocaine responses [Minerly] 2:s:2-200
- Gonadal hormone and cocaine-induced behaviors [Niyomchai] 2:s:2-51
- Grandparenthood
- Grandparenthood status and type 2 diabetes [Balukonis] 2:141
- H9/Htlv iiiicc cell line
- HIV-1 protease inhibitors and p-glycoprotein [Sanchez] 2:s:2-60
- Hakka
- Ethnic group comparisons of health status [Chang] 2:228
- Hawaii
- Rural/urban differences in emergency department followup [Withy] 2:s:2-247
- Hcv/HIV
- HIV hepatitis c multimedia intervention feasibility and acceptability [Mayor] 2:s:2-195
- Health behavior
- Health-related quality of life among minorities [Chowdhury] 4:483
- Health conditions, BMI among racial groups [Balluz] 4:450
- Health beliefs
- African American mothers and weight estimation [Moore] 2:s:2-211
- Health care utilization
- Self-diagnosis of chronic conditions among minority populations [Ani] 2:s:2-105
- Health disparities
- Blood pressure and psychosocial factors [Pointer] 3:289
